Captain's Message

Dear Community,

As I move into my second month here at Bayview Station, I still feel the excitement of being in this new assignment. I have met a lot of people from the Community and have plans to meet so many more of you. I have attended many of the events in the community and I am happy to see everyone doing events to benefit the community.

I am excited to attend my first monthly Bayview Station community meeting on Monday August 5th at 6:00pm at Bayview station. I hope to have a large turnout for my first meeting, so please come out.

On Tuesday August 6th, BMAGIC is hosting National Night Out at the Bayview Opera house (4705 3rd St.) from 5pm-7pm. This is an annual event all over the United States. National Night Out is a way to get to know other people in your neighborhoods. There will be fun for the whole family. I will be there and hope to see all of you there.

Community Safety is very important to me so I would like to leave you with a Safety tip:

While riding public transportation, please refrain from using your cell phone. When you are talking on the phone you lose the ability to be aware of your surroundings. When you are not aware of your surroundings it gives the suspect the opportunity to snatch the phone out of your hand. So please try to stay off your phone while on Public Transportation.

Sincerely,

Captain Troy Dangerfield #250

Below are some photos of some of the events that I attended in July.

Citizen of the Month

August 2019

We are honoring Tim Obert as the Citizen of the month for his selfless acts of cleaning up the outdoor areas in the Bayview. Thanks Tim and the staff at Seven Stills for taking the time to care about the community.

My name is Tim Obert and I'm a cofounder of Seven Stills Brewery and Distillery that started right here in San Francisco.

Outside of work, I'm a rock climber, animal lover, coral enthusiast, and environmental advocate. Because my passions and hobbies lead me outdoors, I find it important to give back to and support the community that gives me so much in return.

After opening our first location in Bayview, I really saw all of the amazing things that the neighborhood had to offer. I wanted to encourage people to discover all of the beautiful outdoor spaces, and most importantly, to support their local community. When I started Beers for the Bayview I never thought that it would grow to be what it is today. I continue to be incredibly grateful and humbled by the support of the volunteers that come out to help every month, and the local businesses that have shared our passion for keeping SF beautiful.

See the story about Beers for the Bayview at:

Officer of the Month

August 2019

Officer C. Mustafich #1774

Officer Mustafich joined the San Francisco Police Department in 1999 and has worked at Bayview Station since 2001.

He was a member of the Bayview plainclothes team from 2002 to 2018.

Today you'll see him driving all over the Bayview district looking for stolen vehicles as the Vehicle Abatement Officer.

Among his many accomplishments, Officer Mustafich was the recipient of the (CIT) Crime Intervention Team Award for an incident that occurred in March of 2019.

The SFPD wants to hear from YOU, our key stakeholders

We are committed to excellence in law enforcement and are dedicated to the people, traditions and diversity of our City. Our mission is to provide service with understanding, response with compassion, performance with integrity and law enforcement with vision.

We welcome your comments. Let us know how we're doing, what we could be doing better and your thoughts on how your police department can work more closely with the community it proudly serves.

Your feedback will help SFPD better serve our City. Your comments will reviewed by our Community Engagement Unit and forwarded to the relevant unit, department office or neighborhood station for review and follow up, if appropriate.

You may also visit sanfranciscopolice.org/police-commendation-complaint for more information on providing input on SFPD policies and practices.)

With over 2,300 different telephone numbers listed to access local government services, many people did not know what number to dial to reach the appropriate department. Now you can connect to city services with only two numbers to remember: **911** for emergencies and **3-1-1** for everything else.

Before 311, over 50% of calls to the 911 center were not emergency related. **311** relieves 911 operators from these non-emergency calls. If a catastrophic emergency such as an earthquake occurs, **311** operators will be able to provide accurate information to assist during the recovery. In the unlikely event the 911 facilities becomes inoperative, the **311** call center will function as a back-up.

The Police Reserve Officer Program is comprised of community members, such as yourself, and retired police officers who wish to volunteer as a Reserve Police Officer. These officers supplement the full-time officers in a variety of duties throughout the Department. Reserve Officers can enjoy the best of both worlds; maintain their chosen career while helping to police an internationally known city. There will be a Level III Reserve Police Academy starting on September 23, 2019 and it will conclude on December 4th. The Reserve Academy takes place on Mondays and Wednesdays from 6pm to 10pm and all day on Saturdays from 8am to 5pm. The cost for the Academy is 1765.00. This is the minimum requirement to be a Level III Reserve in the state of California. This is a volunteer position with great training opportunities and experiences seldom seen.
