Wednesday August 14, 2019

On August 6th, 2019, Ingleside Station held its annual National Night Out event at the Crocker Amazon Recreation Center. We are so grateful for Ingleside's Community Police Advisory Board (CPAB)—especially Joelle Kenealey, Carey Rutigliano, Rex Tabora, Sharon Eberhardt, and Chris Faust—who helped to plan and run this tremendous event. Special thanks to Jennifer Snyder (Excelsior Boys & Girls Club), Drew Jenkins (Hope SF), Sam Tharani (Leland Market), Paul Giusti (Recology), Vanessa Gonzalez (Golden State Warriors) and all of the Rec and Park Staff that worked so hard to make this event amazing. We are already looking forward to next year!

Featured Ingleside Officer of the Month

Ofc Joel Hornstein

Ofc. Hornstein joined the San Francisco Police Department on October 30th, 2006 and has worked at Ingleside Station for the past 10 years. Formerly a paramedic and currently a Field Training Officer, he brings his top skills in both policing and patient care to the late day shift. He has recently been awarded a Silver Medal of Valor for heroically rescuing an elderly person from the 5-alarm 29th & Mission Street fire. He also earned a life-saving award for saving the life of a person choking at the Nugget Rib Cook-Off in Sparks, Nevada. Whether on-duty or off-duty, he brings calm to the chaos.

In addition to these significant events, he proactively responds to our community's everyday call for service and events needing police attention. Ofc. Hornstein and his partner responded so quickly to a residential burglary in progress call in Visitacion Valley, that they observed the suspects and pursued them on the freeway and down Tunnel Road in Brisbane.

For all of these reasons, Of. Joel Hornstein is our Featured Officer of the Month for August, 2019.

Glen Park News

The following 4 commercial burglaries have occurred in the Glen Park neighborhood in the past week:

- 1) 7/21 overnight to 22, Destination Baking Company, 598 Chenery St. 190-529-930
- 2) 7/21 overnight to 22 - Higher Grounds Coffee - 691 Chenery St. 190-529-974
- 3) 7/25 overnight to 26 - Glen Park Hardware - 685 Chenery St. 190-541-940
- 4) 7/25 overnight to 26 - Gialina's Pizza - 2842 Diamond St. - 190-541-978

The MO appears to be the same: kicking in the front door of the business and taking the cash register. One register was recovered and is being processed by our Crime Scene Investigations Unit. The exact times of the incidents are not clear, however, based upon the locations of these businesses, they likely happened in the very early morning hours on the 22nd and the 26th, respectively.

While it's really helpful to capture the incident on video, it's also REALLY helpful when we can capture the suspect(s) driving/walking to and/or driving/walking from the burglary.

Here's where you come in: If you happen to live in the neighborhood of these incidents, and you happen to have a camera that faces the street, would you please check the video to see if there is footage of the suspects going to or coming from this incident either on foot or in a vehicle? Anything you could find would be most helpful.

In the meantime, we are scouring the neighborhood for witnesses and evidence, coordinating with our citywide Burglary Detail to determine patterns and likely suspects across police district boundaries, and have briefed all of Ingleside's night shift officers to this crime "hotspot" location.

San Francisco SAFE, our prevention partner, along with Ingleside Station, will be meeting with these businesses to consult regarding security best practices, including lights, cameras, burglar alarms, etc.--anything that will help to dissuade, prevent, and/or rapidly detect criminal activity with these or any other businesses in the neighborhood. The only other reminder is that if people see something to please say something; all in-progress suspicious behavior should be reported to 911, so that our dispatchers can prioritize and coordinate a rapid response to suspects casing or attempting to break into our businesses.

Community Meeting

*Please join us at Ingleside Station on
Tuesday, August 20, 2019 from 7pm to 9pm*

*Come to talk about district crimes
and updates, upcoming events
and responses to questions and
concerns in our community.*

MUNIFORWARD Muni Subway Maintenance Project

Muni Subway Closes Early for Critical Maintenance

The SFMTA maintenance crews work hard every night after Muni Metro subway service hours to maintain the tracks and equipment underground. On most nights, this gives them only about two hours to get work done. In order to complete critical maintenance tasks that cannot be completed during normal windows, we are planning two weeks of early subway closures, so crews have more hours each night to do this vital work.

DETAILS:  **STARTS THIS MONDAY, AUGUST 12TH**

Starting August 12 and continuing for approximately two weeks, the subway between Embarcadero and West Portal will close early at 9:30 p.m. When the subway closes early, buses will run above ground to connect all stops, beginning at 9:30 p.m. through the normal end of train service at 1 a.m. Owl service will remain unchanged. Trains will start regular morning service each day.

TRANSIT SERVICE PLAN - 9:30PM TO END OF NORMAL SERVICE AT 1AM

-  Shuttle buses will serve all Muni Metro stops between Embarcadero/Brannan and St. Francis Circle
-  Train service between Balboa Park and St. Francis Circle
-  Buses will run between Embarcadero/Brannan and Zoo. No L trains running.
-  Train service between Ocean Beach and Church/Duboce (Inbound N trains become outbound N trains at Church/Duboce)
-  Train service between Balboa Park and Church/Duboce (Inbound J trains become outbound J trains at Church/Duboce)
-  Train service between Sunnydale and Embarcadero/Brannan

CUSTOMER INFORMATION:

- Inbound N Judah and outbound J Church trains will use the accessible stop entering the Duboce Portal to serve passengers needing the ramp.
-  For service on Market Street, Muni customers can board bus shuttles at a bus top marked with the half-moon sign.
- Muni customers are encouraged to leave extra travel time during subway closures.
- Regular bus fares will apply on bus shuttles and valid transfers will be accepted.

The extended window will give us an opportunity to do complex work aimed at making subway operations more reliable and prevent future breakdowns.

An additional early shutdown window is planned for December.

The warrants were issued for a variety of offenses including narcotics, aggravated assaults, burglary, contempt of court, theft, sex offenders, domestic violence, fraud, and parole violations. No officers or suspects were injured during the course of these arrests.

This effort is the latest in ongoing operations led by Tenderloin Station designed to reduce crime and to emphasize the San Francisco Police Department's commitment to a safer, healthier community. The Tenderloin is home to approximately 4,000 children who attend schools in the community and attend programs in neighborhood parks. These children are a major factor in the Department's commitment to removing this criminal element from the streets and sidewalks these children travel to and from school.

Booking photos of those booked in Wednesday's operation are included with this press release.

San Francisco Police Department Makes Arrest in Bayview District Homicide

On Saturday, August 10 2019 at approximately 9:28PM, San Francisco Police officers responded to a ShotSpotter notification in the area of the 1000 block of Oakdale Avenue. Officers arrived on scene and located 34 year-old Dietrich Whitley, who was suffering from multiple gunshot wounds. Responding officers attempted lifesaving measures until relieved by paramedics. Mr. Whitley was taken to a hospital but unfortunately succumbed to his injuries.

On Tuesday, August 13 2019, investigators arrested 38 year-old Sauntek Harris of Concord in the city of Concord. He was booked at San Francisco County Jail on charges of homicide and a felon in possession of a firearm.

No booking photo is being released at this time due to pending identification matters.

Although an arrest has been made, investigators are asking anyone with information about this case to contact the San Francisco Police anonymously at 415-575-4444 or text-a-tip to TIP411 with SFPD at the start of the message.

Alemany Boulevard

Sewer Replacement & Pavement Renovation

Job Order 2925J

Project Description

S.F. Public Works has partnered with the San Francisco Public Utilities Commission to complete infrastructure improvements along Alemany Blvd. between Seneca Avenue and Congdon Street. Public Works will manage the project and we've hired D'Arcy & Harty Construction, Inc. to complete the work.

Construction is scheduled to begin in late June 2019 with completion expected in December 2020.

This project will include sewer main replacement, street base repairs, curb ramp and bulb-out installation, minor traffic signal work at the Santa Rosa Ave. and Silver Ave. intersections and repaving between Congdon Street and Seneca Avenue. Please note, not all blocks will include sewer main replacement work. Please visit our project webpage for additional information on which blocks will include sewer work.

Sewer service will not be interrupted during construction. Please continue to use your household plumbing per the usual.

Once the sewer work is complete, crews will begin preparations to repave the street. Preparations will include installation of curb ramps and bulb-outs followed by street base repairs. Street base repairs will require the contractor saw-cut sections of the roadway, remove the broken concrete and pour back fresh concrete. Replacing the street base now will improve the longevity of the new asphalt road.

Since there are several blocks included in this project, it may be weeks or months before we reach your block. We are sending you this notice in advance of any work on the project.

Neighborhood Tip:

Please call 3-1-1 to report any issues in the neighborhood such as potholes, burnt-out traffic signals or streetlights, leaky fire hydrants, broken curbs or sidewalks, illegal dumping, etc. 311 is the primary customer service center for the City of San Francisco. They'll route your concern to the appropriate agency for follow-up.

Impacts and Restrictions

Street parking may not be possible on the block during construction work hours. In some cases, parking may not be possible on part of the adjacent block as we taper the traffic lanes to accommodate the work zone. Please see posted barricade signs for exact work hours, days, and locations, because they may vary depending on the construction task. The "no parking" signs will be posted at least 72 hours in advance to alert motorists of parking restrictions.

Vehicles parked in the construction zone during the posted work hours will be towed at the vehicle owner's expense. Please allow extra travel time during construction work hours.

Street cleaning restrictions will still be in effect.

We apologize for the inconvenience and thank you for your patience as we work to improve San Francisco.

For more information on this project or to sign-up for regular electronic project updates, please visit the project webpage.

Please hold on to this notice should you need our contact information during construction.

Distracted Driving

Distracted driving is anything that takes your eyes or mind off the road. In the smartphone age, distracted driving is the most dangerous when drivers are using their cell phone behind the wheel.

Whether it is talking, emailing, texting, plugging in directions, using an app or scrolling through social media feeds, using a cell phone is not only dangerous, but also illegal.

In 2017, 3,166 people were killed in distracted driving related crashes across the country, or nearly 10 percent of all traffic deaths.

Using a phone to dial, talk or text triples the risk of a driver getting into a crash. Texting is the most alarming distraction. Sending or reading a text takes your eyes off the road for an average of 5 seconds. At 55 mph, that's like driving the length of a football field with your eyes closed.

Other serious driver distractions such as eating, grooming, reaching for objects on the floor, changing clothes or talking with passengers are just as dangerous. The safest thing drivers can do is put down the phone, focus on the road and just drive.

Distracted Driving Prevention

- ✓ Never Text and Drive
- ✓ Silence your phone before you drive
- ✓ Pull over to safe parking spot to make a call
- ✓ Don't text or call someone you know is driving

Cell Phone Law

 Holding a phone while driving is illegal. Any electronic device must be used in a hands-free manner, such as speaker or voice commands. The law applies when at a stop sign or signal.

 To use a phone while driving, it must be mounted on the dashboard, windshield (seven-inch square in lower right corner or five-inch square in lower left corner), or center console.

 When the phone is mounted, drivers can swipe or tap the screen once to activate or deactivate a feature. It is illegal to swipe multiple times, enter information or text.

 A first offense ticket is \$162, with additional offenses costing even more.

 You may use your phone while holding it for true emergencies, like calling 911.

For additional driver safety tips and resources, visit gosafelyca.org.

Be part of the solution by resisting the urge to talk or text while driving and "Go Safely, California."
