Hello all,

I want to review with everyone how you can best avoid being a victim of a burglary. Please ensure that you are taking basic security measures i.e. locking and securing all doors and windows. Be mindful of this security even when at home do not leave a window or door open that is easily accessible from the ground floor.

Always remember to keep your garage doors closed and secured. If storing a bike in your garage please secure that bike with a lock and secure the locked bike to a fixed item. This is especially true if you store your bike in a shared garage. A shared garage means there is a greater chance that someone will leave the door open or unsecured allowing easy access to your stored property. Please consider putting a tracker on your bike so that if it is taken there is a way for us to track the bike and increase the possibility of suspect apprehension. Ensure you have the serial number for your bike recorded which you can do by taking a photo of your bike and then a close up photo of the bike's serial number. Of course having a camera installed that captures video of anyone coming or going in and out of your home is also invaluable when it comes to apprehending suspects. SFPD are typically able to identify the suspects because these suspects are more often than not repeat offenders.

CAPTAIN BAILEY'S MESSAGE CONTINUED

Do not leave a hide-a key. Suspects are very in tune with where people leave spare keys. Do not leave your garage door opener in your car or at least keep it out of view. Of course a big deterrent for burglars is having a dog but I know not all of us can be lucky enough to have our furry friends on guard each day and night.

Please immediately call 911 if you think you see a crime in progress or a suspicious person in your neighborhood. District residents have been doing a great job of calling 911 when they see suspicious activity or what they believe to be a crime in progress. These calls have led to numerous arrests. Our officers responded quickly and are able to take suspects into custody.

Let me end by saying two things please think about installing a security camera and motion activated lights. The footage provided by these cameras have proven invaluable in solving crimes not only at the individual's house but also in their neighborhood. The motion activated lights have proven to be a deterrent and also provide lighting for the video footage.

Take photos of all items in your home that are of value to you and if there are serial numbers take photos of those too. This will increase the chance of us being able to reunite you with your property should you be a victim and also be able to arrest any suspect who is in possession of your property.

Please take the time to review all the crime prevention tips on the pages to the back of this newsletter.

Your safety is paramount to us here at Park Station and with your help we can prevent many crimes and solve more.

Thank you and be safe,

Captain Una Bailey

OFFICERS OF THE MONTH

Captain Bailey has named Declan Flannery and Lizeth Lopez **Officers of the Month** for the month of May.

Officer Flannery

Officer Lopez

Congratulations to Officer Flannery who was in the in the 227th Academy class and Officer Lopez who was in the 259th Academy class. They both recently transferred to Park Station and work together as partners on the day watch. These Officers are on patrol on a daily basis and maintain a high visible police presence throughout the district. This high visibility and diligence deters criminals from committing crimes in the area. They both help to keep the Park District safe by pursuing and arresting criminals during their shift when deemed necessary. Officers Flannery and Officer Lopez also enjoy engaging with community members, getting to know the merchants and citizens, and petting dogs during their shift.

COMMUNITY ENGAGEMENT

On April 25, 2019, Officer Gramsci discussed traffic and community safety awareness at Clarendon Elementary School, the picture below shows Officer Gramsci in Ms. Rauchwerger 2nd grade class. All students were given SFPD stickers, SFPD safety coloring books & crayons.

CLARENDON

COMMUNITY ENGAGEMENT

Students from the Chinese Immersion School participated in the Bike, Walk and Roll to School Day. Park Station Officers escorted the students along Waller Street to their school.

Captain Bailey spoke to the students about biking and walking safety before the start of the event.

COFFEE WITH A COP

On Tuesday April 9, 2019 community members met with Captain Bailey and Park Station Officers at Martha & Bros Coffee for Coffee with a Cop. Approximately 25 community members had the chance to talk with Captain Bailey and Park Station Officers about concerns in their neighborhood.

SOME OF PARK STATION'S ARRESTS FOR THE WEEK**Driving, No License Issued, Traffic Violation/ Area of Broderick St. -05/13/19 10:59 Hrs.**

While conducting traffic enforcement along the area of Broderick Street, Park officers observed a vehicle making a sudden left turn, in violation of Vehicle Code section 21801(a). A traffic stop was conducted on the vehicle; officers made contact with the driver and explained the reason for the stop. Officers asked the driver for his driver's license, vehicle registration and proof of insurance. The driver told the officers that he did not have a driver's license. He was cited for the violation and his vehicle was parked at the scene.

Warrant Arrest, Local SF Warrant, Marijuana Offense, Resisting, Delaying , Or Obstructing Peace Officer Duties/ Area of Haight St. -05/13/19 19:05 Hrs.

On the above time and date, while patrolling the area, officers observed a subject underneath a MUNI bus shelter located on the corner of Haight and Baker St. The subject was observed using a lighter while holding and smoking from a green pipe. In violation of 1009.22(d) HC which prohibits smoking in service waiting area to include MUNI bus stops and 11362.3(a)(1) HS which prohibits smoking or ingesting cannabis or cannabis products in public place.

The subject was informed of the violations, the subject was asked to provide his identification; but kept saying he did not have one. The subject finally gave the officers a CA. Identification card. A record check was conducted which revealed that the subject had an outstanding felony warrant out of San Francisco with a \$10,000 bail for 459 PC and 487(a) PC. The subject was placed under arrest for the felony warrant, while conducting an arrest search officers discovered a plastic bag of suspected marijuana in the subjects backpack. The subject was transported to County Jail.

Warrant Arrest, Enroute to Outside Jurisdiction, Resisting Delaying, or Obstructing Peace Officer Duties/ Area of Clayton Street. -05/14/19 06:08 Hrs.

Officers responded to Clayton/Haight regarding 3-5 people doing drugs underneath a blue tarp. Upon arrival, officers exited their vehicle, approached the people underneath the blue tarp. Officers asked one of the subjects for their identification, subject refused to provide his name in violation of 148(A) PC. For safety officers detained the subject and placed him in handcuffs. A computer check revealed that the subject had an outstanding misdemeanor warrant for \$75,000 out of Santa Cruz. Subject was transported to County Jail.

Animal, Cruelty to; Resisting, Delaying, or Obstructing Peace Officer Duties 05/15/19, Haight/Masonic 1408 Hrs.

On 05/15/19 at approximately 1408 hours, Park Station Officers responded to reports of animal cruelty at the intersection of Haight Street at Masonic Avenue. Upon arrival, the officers met and spoke with two witnesses who observed a group of people physically abusing a dog who was leashed. It appeared as though the dog belonged to one of the suspects who was observed slamming the dog to the ground and strangling the animal. The dog was yelping and crying in pain.

The witnesses provided a description of the dog and two of the suspects who were inflicting pain on the dog. Armed with this information, Park units conducted a search of the area for the suspects and dog. The officers quickly found the suspects and dog. As one of the officers attempted to remove the dog to safe area, suspect #1 resisted and refused to relinquish the dog. The suspect pulled on the dog's leash as she cursed at the officers. Eventually, they were able to get the dog away from suspect #1 as she continued to resist.

After the officers' investigation, the suspects were arrested for animal cruelty with an additional charge placed on suspect #1 for resisting arrest. The dog was placed with Animal Care and Control. Both suspects were booked for the above listed charges and transported to County Jail.

PARK STATION'S ARRESTS FOR THE WEEK CONTINUED**Traffic Violation Arrest, Identification To Peace Officer, False, Warrant Arrest, Enroute To Outside Jurisdiction/ Area of Stanyan St. -05/15/19 0715 Hrs.**

Officers observed a male with a black backpack riding an orange "Jump" rental bicycle southbound on the east sidewalk of Stanyan Street, in violation of 7.2.12 TC. The subject was stopped for riding a bicycle on the sidewalk. The subject gave the officers a false identification in violation of 148.9(a) PC. A computer check revealed that the subject had an outstanding felony no bail warrant out of Mountain View for violation 460 (b) PC, 11550(a) H&S, 1137(a) H&S and 594(b)(2)(a) PC. The subject was transported to County Jail.

Warrant Arrest, enroute to Outside Jurisdiction/ Area of Fulton St. -05/16/19 0922 Hrs.

Officers from Park District Station responded to Fulton Street regarding a possible hot prowl suspect. On arrival, a Sergeant from Park District Station detained the subject. A computer check was conducted which revealed that the subject had an active warrant out of Marin County in violation of 11364(1)(a) H&S, Bail \$2,500. Subject was booked for his active warrant and transported to County Jail.

Methamphetamine, Possession for Sale; Cocaine/Base Rock Offense; Methamphetamine Offense; Stolen Vehicle; False Identification to a Peace Officer; Possess Stolen Property; Conspiracy; Municipal Code Violation, 5/18/19 Castro/Waller 0906 Hrs.

On 05/18/19 at approximately 0906 hours Park Station Officers viewed a bicyclist committing a traffic infraction and conducted a traffic stop on the individual. During the contact, the subject gave a false name to the officer. With further investigation, the officer was able to determine the subject's real name and that he was on probation and had a search condition.

A probation search was conducted on the suspect and large amounts of narcotics were found to be in his possession. Additionally, a vehicle key and fob was found in the suspect's possession.

Another Park Station Officer was simultaneously conducting an investigation of an occupied stolen vehicle. The Park Officer was dispatched to a stolen vehicle at Temescal Terrace which had been disabled by OnStar. The vehicle was determined to be occupied by a female suspect who said her male companion that was in the vehicle had left.

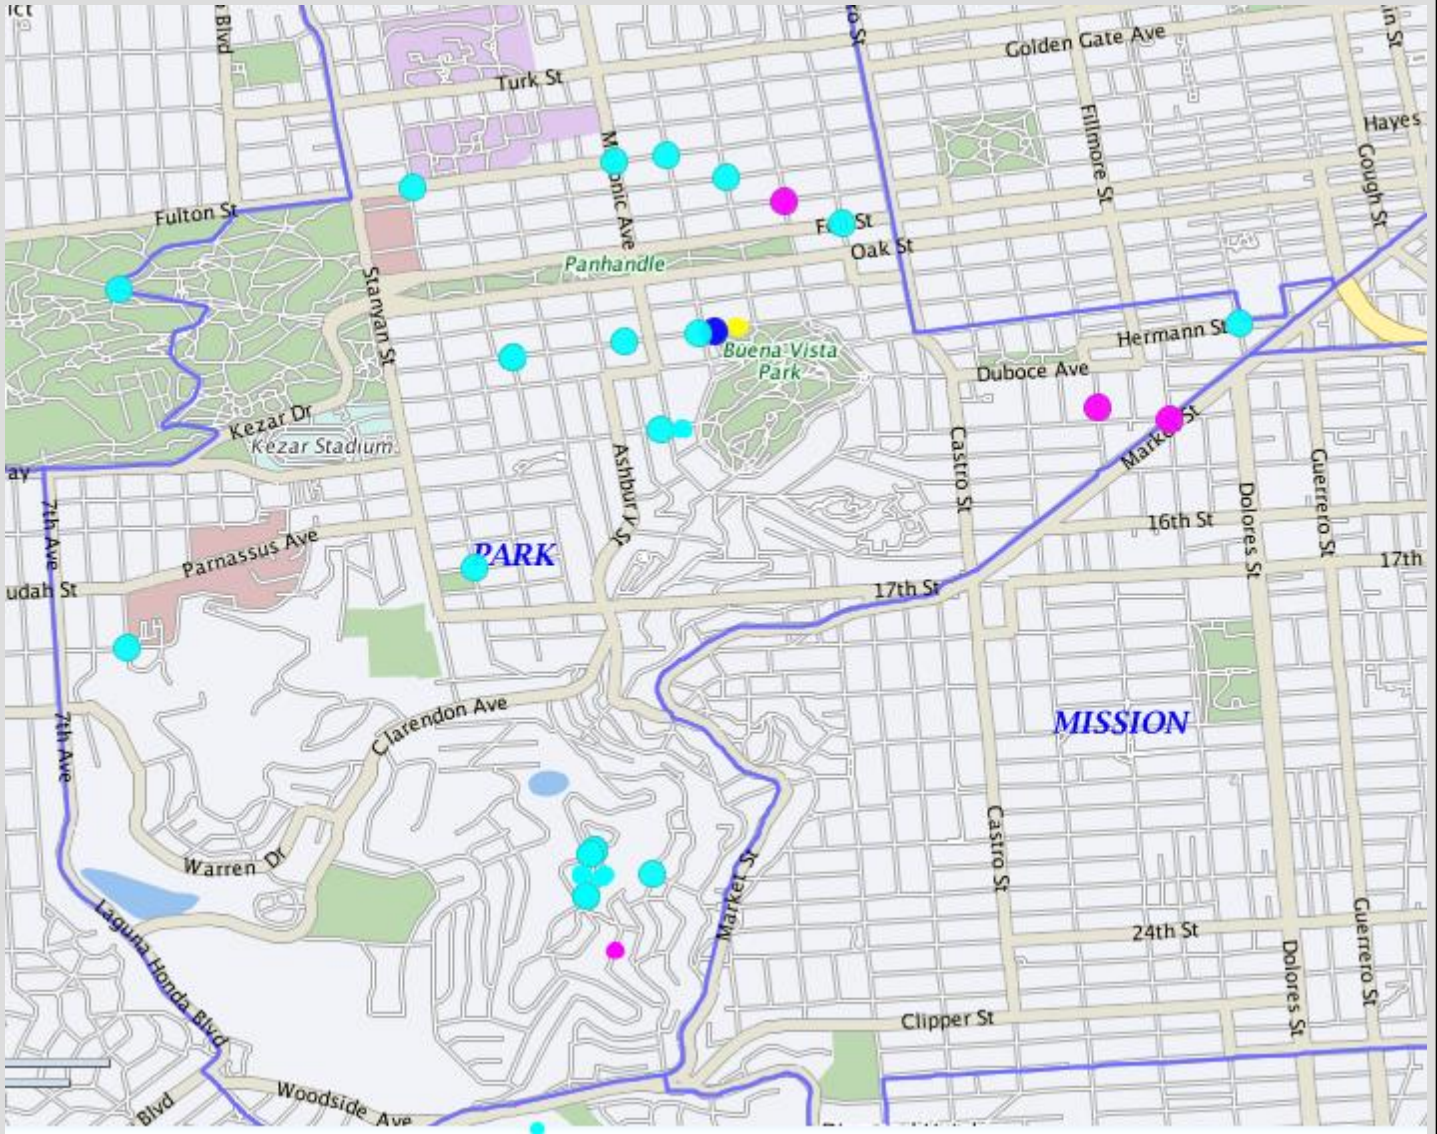

With the assistance of a Park Station sergeant, and interviews with all involved parties, it was determined that the key that was found in possession with the suspect riding the bicycle was the key which belonged to the stolen/recovered vehicle. The subjects were arrested and booked accordingly for the above listed charges.

Warrant Arrest, Enroute to Outside Jurisdiction, Hallucinogenic Offense/ Area of Haight Street. 05/19/19 1651 Hrs.

A known subject was observed in the area of Haight Street with a known misdemeanor warrant out of Morgan Hill, CA. Officers exited their patrol vehicle and arrested the subject, during the arrest search the officers located suspected psilocybin, in violation of 1137(a) H&S. The subject was booked transported to County Jail.

DISTRACTED DRIVING

Distracted Driving

Distracted driving is anything that takes your eyes or mind off the road. In the smartphone age, distracted driving is the most dangerous when drivers are using their cell phone behind the wheel.

Whether it is talking, emailing, texting, plugging in directions, using an app or scrolling through social media feeds, using a cell phone is not only dangerous, but also illegal.

In 2017, 3,166 people were killed in distracted driving related crashes across the country, or nearly 10 percent of all traffic deaths.

Using a phone to dial, talk or text triples the risk of a driver getting into a crash. Texting is the most alarming distraction. Sending or reading a text takes your eyes off the road for an average of 5 seconds. At 55 mph, that's like driving the length of a football field with your eyes closed.

Other serious driver distractions such as eating, grooming, reaching for objects on the floor, changing clothes or talking with passengers are just as dangerous. The safest thing drivers can do is put down the phone, focus on the road and just drive.

Distracted Driving Prevention

- ✓ Never Text and Drive
- ✓ Silence your phone before you drive
- ✓ Pull over to safe parking spot to make a call
- ✓ Don't text or call someone you know is driving

Cell Phone Law

-  Holding a phone while driving is illegal. Any electronic device must be used in a hands-free manner, such as speaker or voice commands. The law applies when at a stop sign or signal.
-  To use a phone while driving, it must be mounted on the dashboard, windshield (seven-inch square in lower right corner or five-inch square in lower left corner), or center console.
-  When the phone is mounted, drivers can swipe or tap the screen once to activate or deactivate a feature. It is illegal to swipe multiple times, enter information or text.
-  A first offense ticket is \$162, with additional offenses costing even more.
-  You may use your phone while holding it for true emergencies, like calling 911.

Distracted Driving

It's easy to feel like driving isn't enough when there's so much more to do. It's normal to feel the urge to grab the phone. But we must stay focused on the road. Not only is holding your phone while driving illegal in the State of California, distracted driving is now the number one cause of roadway crashes. Join us in being part of the solution. Grab the wheel with both hands, enjoy the drive and focus on each other. Here are some ways you can prevent driving distracted:

- > Silence your phone before you get behind the wheel and keep it mounted in a legally approved location.
- > Never text and drive or use apps or social media while driving.
- > Do not eat, drink or program your GPS/MP3 player or other devices while driving.
- > If a phone call is necessary or you need to reroute your map, pull over to use those devices.
- > If something falls to the floor, pull over to a safe parking spot before trying to reach it.

ANTI-BIKE THEFT TIPS

LOCK
PROTECT
REGISTER

sfsafe.org/safe-bikes

SAFE BIKES and the SFPD recommend the Sheldon Brown Locking Method.

No locking method is 100% foolproof, but this method is highly effective.

GUIDE FOR LOCKING YOUR BIKE:

- Use the smallest U-lock that works for your bike to minimize the amount of space available for a thief to insert a jack or levers.
- Use a hardened steel U-Lock to secure back wheel inside the rear triangle of the bicycle frame.
- Check to make sure U-lock is secured to an immovable metal object.
- Secure front wheel with cable or second U-lock. Loop cable around the down tube of the bicycle or secure second U-lock to front wheel and down tube.
- Replace quick release skewers and nutted wheels with keyed locking skewers and nuts to ensure wheels and saddles are locked to the bike frame at all times.
- Check with local bike shop for proper installation of locking skewers and advice.

SAFE BIKE REGISTRY

YOU JUST BOUGHT A NEW BICYCLE— NOW WHAT?

FOLLOW THESE STEPS:

- Register** and upload receipt and photos of your bicycle at sfsafe.org/safe-bikes.
- Buy a hardened steel U-lock and a secondary lock** such as a chain or cable (See locking tools list).
- Replace quick release skewers and nutted wheels with uniquely keyed locking skewers and nuts**, which keep wheels and saddles locked to the bike frame at all times.
- Lock** your bicycle in your garage the same way you would on the street.
- Take an urban bicycling workshop** with the San Francisco Bicycle Coalition to learn safe riding practices. Go to sfbike.org for more information.
- Speak with your local bicycle shop** for more help and advice.

TOOLS TO LOCK YOUR BICYCLE

There are many different types of locks for bicycles and many incorrect ways of using them. No locking method is 100% effective.

For best security use a hardened steel U-lock, chain and locking skewers.

- U-lock**
 - Very good deterrent
 - Use the smallest U-lock that works for your bike to minimize the amount of space available for thief to insert a jack or levers
- Chain**
 - Hardened alloy steel with thickness of at least $\frac{3}{8}$ " thick and heaviest is best
- Locking Skewers**
 - Very good deterrent
 - Replace all quick release parts
 - Check local bike shops for proper installation
- Cable**
 - Recommended for secondary locking device
 - Good security for movable parts

PREVENTING BICYCLE THEFT IN GARAGES

Garages and multi-unit apartment buildings with common garage are one of the most vulnerable places for bicycles. Thieves are waiting for the perfect opportunity.

Secure your bicycle in the garage the same way you would on the street!

- Secure to an immovable object or an anchor system.
- Never lock your bike near a window or door.
- Always watch your garage door and make sure it closes completely so unwanted visitors do not enter.
- Contact SAFE at 415-553-1984 or info@sfsafe.org for a residential security survey.

SAFE BIKE REGISTRY

**YOUR

NOW
WHAT?**

- File a police report through sf-police.org or visit your local police district station.
- Notify **SAFE BIKES** at info@sfsafe.org or call 415-553-1984.
- Provide pictures and serial numbers for bicycle with the police report and any identifying marks.
- If you don't have a serial number or pictures, track down your serial number from the point of purchase and/or use stock photos and send them to the investigator immediately.
- File an insurance claim.

INTERNET INVESTIGATIONS

- Post pictures of stolen bicycle to **Craigslist**, set up a **Google alert**, and use **IFTTT.com**.
- If bicycle is found, contact the SFPD investigator. **DO NOT** arrange a meeting and attempt to get your bicycle back.
- Check racklove.com and stolenbikeregistry.com to find your bicycle.

SAFE VIDEO SURVEILLANCE RECOMMENDATIONS

SEPTEMBER 2018

HIGH RESOLUTION

If you connect your camera to a DVR or other device, it will also need to be HD Compatible.

INFRARED (IR)

Built-in IR cut-switch that automatically enables/disables the infrared depending on the light conditions.

IN THE KNOW

The camera's viewing angle determines how much space the camera will cover. Wider angled lenses help cut down the # of cameras required for overall coverage. Video Surveillance should be utilized at your property with at least one camera facing towards the address street and camera should be registered with the District Attorney's office

Overview

Note: The following information is specific to commercial and retail establishments; however, can be applied to any location utilizing video surveillance.

Basic set up and maintenance problems can reduce the effectiveness of many systems.

- Resolution – is it good enough for facial recognition.
- Camera position – are they positioned for clear view of suspect.
- Lighting – is it adequate to capture clear images both day and night.
- Image detail – is the recorder set up for best image detail.
- Maintenance – are you maintaining your system properly so it can do its job when needed?

Set Up and Maintenance

- **Backlighting** – when sun is bright at doorway, images in front appear darker or even black. Use another light source inside to counteract back light.
- **Low Frame Rate** – saves on drive space and gives better image quality, but you may not get an image at all (now you see him; now you don't).
- **Obstructions** – displays and other objects blocking view **should be eliminated.**
- **Focus Problems** – must check system regularly to prevent.

Minimum camera resolution should be **480 horizontal lines.**

Good cameras have **faster lenses** (allows more lighting), larger maximum **aperture** opening (lets more light into the focal point of the camera) and controls image brightness (allows brighter images in dim lighting) – the more lighting, the more depth of field (greater depth of field; the more of the scene is in focus).

Focal Length – some cameras zoom in and out while others have a fixed focal length. The type of cameras used depends on what your needs are.

Transaction Areas – anything at a transaction point (cash register, toll booth, etc.), the subject's head should fill at least 15% of the total image in the frame, giving the detail you need.

Lines of Sight – lines of sight are always critical, make sure there are no obstructions.

Site Plan – the right site plan is crucial (retail store blueprint or **diagram**). Key camera spots are at transaction points (cash registers and entry/exit points) – the more cameras, the better.

You want good camera **overlap** (you want multiple chances to capture good images). Extra coverage is also needed for aisles, restrooms and other key points.

Camera Height – placement is very important, make sure it is as close to eye-level as possible. Otherwise, you might lose out to a baseball cap.

With a good site plan you can make sure you don't have any blind spots (you can toy around with camera positions, and do a test recording to see that you are getting what you want).

Interior Lighting – interior lighting can balance bright light from one direction (back lighting) by adding another light source from a different location (add a bank of lights).

Example: Artificial lighting (**inside store**) for cameras may be good in the morning, but by noon, the sun (through a doorway or window) can blow the entire frame out (add lighting to fill in for afternoon sunlight). Adding more light from a different direction balances lighting, giving better camera clarity (if sunlight is shining through large windows you can tent windows or add screens.

Exterior Lighting – if lights are on timers, you must adjust appropriate to seasonal changes (Fall/Winter: gets dark earlier. Spring/Summer: gets dark later).

PARK SMART CAMPAIGN

Park Smart!

THE KEYS TO PARKED CAR SAFETY ARE IN YOUR HANDS!

If you love it, don't leave it.

DON'T TEMPT A CAR THIEF!

Car thieves only need seconds to break into your car. So Park Smart, and especially keep your trunk clear.

Take everything with you.

Park Smart!

Safe Habits to Adopt:

Turn off the ignition
Never leave your car running unattended

Keep your vehicle & tires in good condition
to prevent breakdowns—stranding you in a dark or unfamiliar place

Lock your doors
when you get in your car

See something, say something
If you see a motorist in distress, call 9-1-1 versus stopping to help

Clear your trunk
and take your valuables with you every time you leave your car

If you are being followed,
drive to the nearest police or fire station—a populated area is a good default

DON'T BE A VICTIM OF A BURGLARY!

Burglary Awareness & Prevention Tips for Construction Sites

Securing & Preventing

1. Secure all equipment and vehicles at all times.
2. Take effort to reduce the visibility of tools and equipment secured in vehicles or on job sites.
3. Make use of adequate lighting in conjunction with open chain-link fencing on the perimeter to allow for high visibility to the job site.
4. Strongly consider the use of security systems such as alarms and video surveillance. Ensure signage for such is clearly visible.

Precautionary Measures

1. Photograph all tools. Ensure photographs clearly show the associated serial number and/or distinctive markings.
2. Ensure job site keys are marked "Do Not Duplicate" and are controlled at all times.
3. Attempt to park employee vehicles within visual range of the job site.

Should a Burglary Occur

Immediately contact 911. Be prepared to provide the following information:

- a) Time of incident.
- b) Video (if available).
- c) Items taken (include make, model, description, location taken from, value, photos and serial numbers).
- d) Insurance information.
- e) Owner's information.

Whether you live in a single family home, condo, or a large apartment complex in San Francisco, there are a number of ways you can keep your residence safe and secure. Working together as a community with your neighbors and building management can significantly improve your residential safety.

7 Residential Safety Tips

- 1 **Garage:** When entering or leaving the garage, watch to ensure door shuts completely. Lock stored bikes to a sturdy rack.
- 2 **Car:** Always lock your vehicle when parked in your garage and remove all valuables. Never leave garage door opener in your vehicle when parked outside your home.
- 3 **Spare Key:** Never hide spare keys. If you need to have a spare key available, leave it with a trusted neighbor.

- 4 **Door Buzzer:** When a visitor rings your bell, confirm who it is by intercom before you grant them access. Similarly, never let strangers follow you through the front door.
- 5 **Security Cameras & Alarm Systems:** Cost effective tools for preventing crime and identifying criminals.
- 6 **Light Timers:** Installing timers on the exterior of your residence is an effective and energy efficient way to deter criminal activity.
- 7 **Doors/Windows:** Always keep doors and windows locked.

Door and Window Safety

Doors:

- Should be made of solid wood or metal
- Have a single cylinder deadbolt lock and a 1-inch bolt
- Have a front door viewer or peep hole with a 180-degree range
- Clearly display unit number

Windows:

- Replace if glass is cracked and replace all damaged or missing locks
- Ground level windows should be burglary resistant: consider purchasing windows with reinforcement wire, laminate, or tempered glass
- Polycarbonate plastic or metal grates can be installed over existing ground level windows
- Windows above ground level are not considered secure: if used for ventilation, lock in position and keep open no more than 3 inches

Keep property in good repair. Maintain visibility to your neighbors for increased safety.

DEFINITION OF SUSPICIOUS ACTIVITY

Suspicious activity is any observed behavior that could indicate a crime-related incident has been committed, or about to be committed. Unusual items or situations: A vehicle is parked in an odd location, a package/luggage is unattended, a window/door is open that is usually closed, or other out-of-the-ordinary situations occur.

Examples of Suspicious Activity:

- An individual peering into vehicles, to try, and locate any valuables left unattended.
- An individual trying door handles to vehicles, and/or residences to gain access to the vehicle and/ or residence.
- An individual checking front doors of residences to locate any unattended packages, or individuals following delivery trucks to see where the truck is dropping off packages.

CRIME DEFINITIONS*Definitions*

Robbery – Robbery is the taking of property from another by using force or by using fear.

Assault – An assault is an unlawful attempt, coupled with the present ability, to commit a violent injury on another person.

Battery - (Misdemeanor battery) is any willful and unlawful touching of another.

(**Felony battery**) is the use of force or violence upon the person of another that causes serious bodily injury.

***Assault** is when a person swings their arm and **battery** is when that arm makes contact with another person.

Aggravated Assault – Assault upon another person with a deadly weapon or instrument other than a firearm or by any means of force likely to produce great bodily injury.

Burglary – The intent upon entry into a property to commit grand theft, petty theft, or any felony.

Grand Theft – Grand theft is theft committed when the value of the money, labor, or property taken exceeds \$950.

Petty Theft – Theft where the value of the property taken is less than \$950.

PARK STATION'S VISION & VALUES**Captain Una Bailey**

I absolutely love police work and I love all that we as SFPD can do to help victims, solve and prevent crimes, and I am a firm believer in the power of the community. We, as a department, are only as successful as our partnerships with the community. I learned very early in my career how important community involvement is both in solving and preventing crimes and also in the creation of safe desirable neighborhoods. I look forward to building and maintaining community involvement and relationships over the coming years. I know that when we work together, we will create a district that will be safe and sound for all.

WHO AND WHEN TO CALL?

3-1-1: Please contact 3-1-1 when the issue is a not an emergency, yet requires City services or, if you simply have questions regarding City services. Non-emergency situations include the following examples: damage to public property, public trees that requires pruning, defective streets or sidewalks, homeless-related issues. 3-1-1 was developed to help the community inform the appropriate City agency regarding a service request.

SF 3-1-1 APP is available to use on your mobile device. Download the APP and its easy to use for many Non-emergency.

Non- Emergency San Francisco Dispatch Line: Please call the non- emergency dispatch line (**415-553-0123**) when the scenario does not need immediate response from the San Francisco Police Department. For example, if there is a loud party, a group of loud juveniles loitering in front of your residence, noise complaints, doubled parked vehicles, suspicious activities, or a homeless/nuisance related issue. **The non-emergency line is for situations that require the police, but do not require an immediate police response.**

9-1-1, please call 9-1-1 immediately if there is a police, fire, medical, or any other emergency. The purpose of San Francisco's 9-1-1 Emergency Telephone System is to provide the community an immediate response of police, fire, or medical personnel for emergency occurrences. To accomplish this, it is imperative that the calls received on the 9-1-1 line be restricted to those situations that require immediate dispatching of police, paramedic, or fire department personnel. For example, crimes or fires that are in-progress, or medical emergencies.

The San Francisco Police Department district station telephone numbers and emails are not monitored. Questions will be answered in the order we receive them. Station emails are not for making police reports nor for reporting a crime. If you need to make a police report, you can call 415-553-0123 or go to your district police station. **If you have an emergency, please call 9-1-1.**
