Captain Una Bailey
Commanding Officer
Park Station

Captain Bailey's Message

Hello all,

It is time for the Haight Street Fair which is happening this Sunday June 9th. As always the fair promises to bring some great entertainment for adults and children alike. Please review the following pages for information regarding street closures and muni rerouting.

The month of June marks San Francisco Police Department officers celebrating San Francisco Pride by raising funds for Larkin Street Youth Services (<https://larkinstreetyouth.org/>). During the month of June, SFPD officers will sport rainbow-patterned versions of the department's signature blue and gold patch. Donations for the patches will benefit Larkin Street Youth Services, which supports homeless San Francisco youth, many of whom are LGBTQ. This project, organized by the San Francisco Police Officers' Pride Alliance and unanimously approved by the San Francisco Police Commission, was developed to show support for San Francisco LGBTQ communities and highlight the inclusiveness of SFPD. Department members hope to encourage positive conversations and inspire other law enforcement agencies partner with local charities that support LGBTQ communities.

In addition to the patches, San Franciscans and visitors during Pride Month should also keep an eye out for SFPD's special Pride SUV on City streets. The Police Officers' Pride Alliance paid for the cost of wrapping the SUV, which will be used for recruitment and community engagement events. Keep an eye out for it and say hello when you spot our officers! Pictures of the Pride Patches and our rainbow SUV are attached to this news release. A video highlighting the project is available at <https://vimeo.com/339595642>

Thank you and be safe,

Captain Una Bailey

SFPD PRIDE SUV AND PRIDE PATCH

JUNE IS PRIDE MONTH

OFFICERS OF THE MONTH

Captain Bailey has named Declan Flannery and Lizeth Lopez **Officers of the Month** for the month of May.

Officer Flannery

Officer Lopez

Congratulations to Officer Flannery who was in the in the 227th Academy class and Officer Lopez who was in the 259th Academy class. They both recently transferred to Park Station and work together as partners on the day watch. These Officers are on patrol on a daily basis and maintain a high visible police presence throughout the district. This high visibility and diligence deters criminals from committing crimes in the area. They both help to keep the Park District safe by pursuing and arresting criminals during their shift when deemed necessary. Officers Flannery and Officer Lopez also enjoy engaging with community members, getting to know the merchants and citizens, and petting dogs during their shift.

COMMUNITY ENGAGEMENT

NOPNA BLOCK PARTY

Lieutenant Wilhelm and Sergeant Pereira had chance to visit and talk with Park Districts residents at the NOPNA Block Party on June 1, 2019. The weather was great and everyone had a nice time.

COMMUNITY ENGAGEMENT

Students from the Chinese Immersion School participated in the Bike, Walk and Roll to School Day. Park Station Officers escorted the students along Waller Street to their school.

Captain Bailey spoke to the students about biking and walking safety before the start of the event.

COFFEE WITH A COP

On Tuesday April 9, 2019 community members met with Captain Bailey and Park Station Officers at Martha & Bros Coffee for Coffee with a Cop. Approximately 25 community members had the chance to talk with Captain Bailey and Park Station Officers about concerns in their neighborhood.

SOME OF PARK STATION'S ARRESTS FOR THE WEEK**Warrant Arrest, Local SF Warrant/ Area of Haight Street. -05/27/19 13:45 Hrs.**

Officers observed a subject standing on the 1500 block of Haight Street, the subject was known from prior police contacts on the Haight Street Corridor. Subject had two outstanding warrants for his arrest, 242PC, Bail, 10,000 and 166(a) (4) PC, Bail, \$15,000. Officers placed the subject under arrest and transported him to County Jail.

**Burglary, Store, Forcible Entry, Warrant Arrest, Enroute to outside jurisdiction
Area of Hayes St. 5/28/19, 1935 Hrs.**

Park Station officers responded to 1800 block of Hayes St regarding a burglary call. Upon arrival, the officers noticed the front door window to the business was shattered and open. Prior to making entry, the officers announced themselves and heard a male voice respond back to them from the second floor. The officers ordered the male subject downstairs and took him into custody without further incident. The subject spontaneously admitted to wanting to rob the place and got into the business by throwing a rock through the window. The subject was transported back to Park Station where he was booked for the burglary and three warrants out of Santa Rosa for theft, totaling \$15,300. He was later Transported to County Jail.

**Stay Away Court Order, Civil Sidewalk Violation, Muncial code violation
1500 block of Haight St. 06/01/19, 12:20 Hrs.**

Officer were on patrol on the 1500 block of Haight Street when they observed a male obstructing fire hydrant in violation of 74 Municipal Police code (MPC). The male then sat on the ground in violation of 168(b) MPC, the Civil Sidewalk Ordinance. The Officers contacted the subject and a computer check revealed that he had a Stay Away Oder from the area. The subject was arrested and transported to County Jail.

**Warrant Arrest, Local SF Warrant, Warrant Arrest, Enroute to Outside Jurisdiction/100 Block of Corbett,
6/2/19, 05:02 Hrs.**

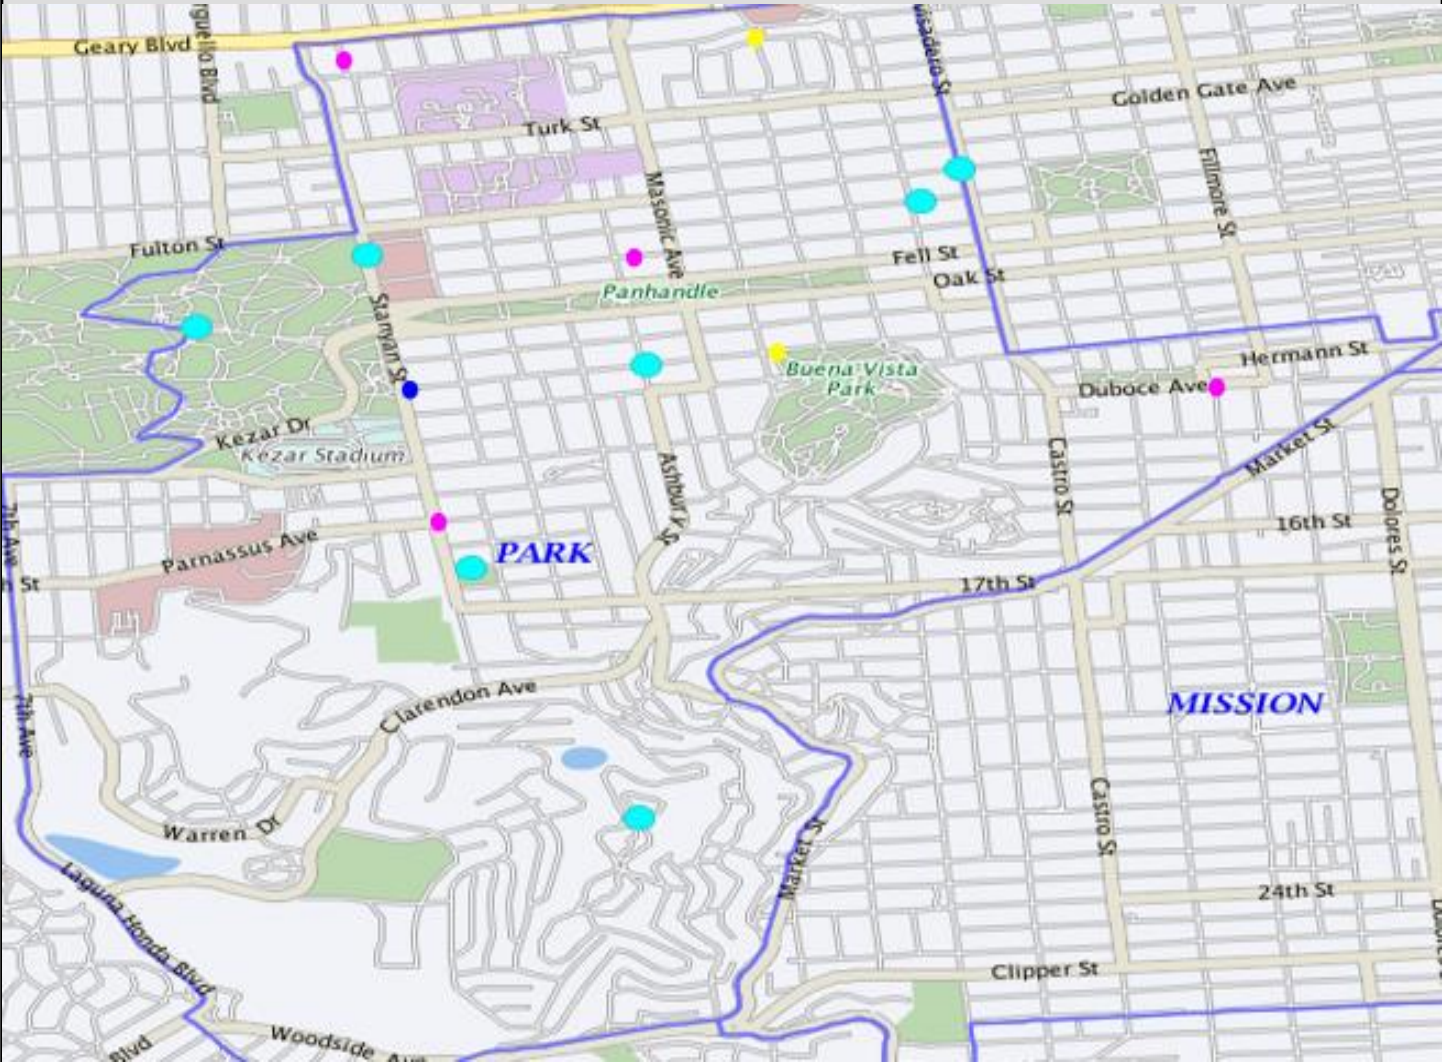

Officers were dispatched to the unit block of Corbett on a report of male checking door handles to vehicles and looking at a vacant house. Dispatch gave Officers a clothing description of what the suspect was wearing, a dark red jacket and dark pants. The suspect was located and detained. Officers determined that the suspect did not enter any vehicles or the vacant house. A computer check on the subject revealed that he had a no bail felony probation warrant out of San Francisco for burglary and a misdemeanor warrant out of San Mateo County \$7500 for drugs. The subject was arrested and transported to County Jail.

**Robbery, Att, Street or public place w/force, assault, mayhem w/force, assault aggravated with force, area
of Haight St. arrest made on 6/2/19 (incident occurred on 5/1/19).**

Park Station investigative team was able to identify the suspect in an attempted robbery and aggravated assault case from an unrelated burglary case. During their investigation of an attempted robbery and mayhem, the victim positively identified the suspect as the person that had assaulted and tried to rob him. During that incident, the victim was kicked in the head, lost consciousness, and suffered a chipped tooth. That incident happened at 1500 block of Haight St. on 5/1/19. Scott was already in custody at County Jail for an unrelated burglary. The above additional charges were placed on him as a result.

DISTRICT CRIME MAP

Various Crimes that occurred in the Park District
(from Monday, 05/27/19 to Sunday, 06/02/19)

- = Auto Burglaries
- = Assaults
- = Robbery
- = Burglary

THEFT FROM VEHICLE**Theft from a Vehicle:****(7 reported incidents of theft from vehicles occurred from 05/27/19 to 06/02/19)**

DISTRACTED DRIVING

Distracted Driving

Distracted driving is anything that takes your eyes or mind off the road. In the smartphone age, distracted driving is the most dangerous when drivers are using their cell phone behind the wheel.

Whether it is talking, emailing, texting, plugging in directions, using an app or scrolling through social media feeds, using a cell phone is not only dangerous, but also illegal.

In 2017, 3,166 people were killed in distracted driving related crashes across the country, or nearly 10 percent of all traffic deaths.

Using a phone to dial, talk or text triples the risk of a driver getting into a crash. Texting is the most alarming distraction. Sending or reading a text takes your eyes off the road for an average of 5 seconds. At 55 mph, that's like driving the length of a football field with your eyes closed.

Other serious driver distractions such as eating, grooming, reaching for objects on the floor, changing clothes or talking with passengers are just as dangerous. The safest thing drivers can do is put down the phone, focus on the road and just drive.

Distracted Driving Prevention

- ✓ Never Text and Drive
- ✓ Silence your phone before you drive
- ✓ Pull over to safe parking spot to make a call
- ✓ Don't text or call someone you know is driving

Cell Phone Law

-  Holding a phone while driving is illegal. Any electronic device must be used in a hands-free manner, such as speaker or voice commands. The law applies when at a stop sign or signal.
-  To use a phone while driving, it must be mounted on the dashboard, windshield (seven-inch square in lower right corner or five-inch square in lower left corner), or center console.
-  When the phone is mounted, drivers can swipe or tap the screen once to activate or deactivate a feature. It is illegal to swipe multiple times, enter information or text.
-  A first offense ticket is \$162, with additional offenses costing even more.
-  You may use your phone while holding it for true emergencies, like calling 911.

For additional driver safety tips and resources, visit gosafelyca.org.

Be part of the solution by resisting the urge to talk or text while driving and "Go Safely, California."

DISTRACTED DRIVING

GO SAFELY CALIFORNIA

CALIFORNIA OFFICE OF TRAFFIC SAFETY

We're all in it together.

Safety with Respect

Distracted Driving

It's easy to feel like driving isn't enough when there's so much more to do. It's normal to feel the urge to grab the phone. But we must stay focused on the road. Not only is holding your phone while driving illegal in the State of California, distracted driving is now the number one cause of roadway crashes. Join us in being part of the solution. Grab the wheel with both hands, enjoy the drive and focus on each other. Here are some ways you can prevent driving distracted:

- > Silence your phone before you get behind the wheel and keep it mounted in a legally approved location.
- > Never text and drive or use apps or social media while driving.
- > Do not eat, drink or program your GPS/MP3 player or other devices while driving.
- > If a phone call is necessary or you need to reroute your map, pull over to use those devices.
- > If something falls to the floor, pull over to a safe parking spot before trying to reach it.

SAFE BIKE REGISTRY

SAFE BIKE REGISTRY

ANTI-BIKE THEFT TIPS

LOCK
PROTECT
REGISTER

sfsafe.org/safe-bikes

SAFE BIKES and the SFPD recommend the Sheldon Brown Locking Method.

No locking method is 100% foolproof, but this method is highly effective.

GUIDE FOR LOCKING YOUR BIKE:

- Use the smallest U-lock that works for your bike to minimize the amount of space available for a thief to insert a jack or levers.
- Use a hardened steel U-Lock to secure back wheel inside the rear triangle of the bicycle frame.
- Check to make sure U-lock is secured to an immovable metal object.
- Secure front wheel with cable or second U-lock. Loop cable around the down tube of the bicycle or secure second U-lock to front wheel and down tube.
- Replace quick release skewers and nutted wheels with keyed locking skewers and nuts to ensure wheels and saddles are locked to the bike frame at all times.
- Check with local bike shop for proper installation of locking skewers and advice.

SAFE BIKE REGISTRY

YOU JUST BOUGHT A NEW BICYCLE— NOW WHAT?

FOLLOW THESE STEPS:

- Register** and upload receipt and photos of your bicycle at sfsafe.org/safe-bikes.
- Buy a hardened steel U-lock and a secondary lock** such as a chain or cable (See locking tools list).
- Replace quick release skewers and nutted wheels with uniquely keyed locking skewers and nuts**, which keep wheels and saddles locked to the bike frame at all times.
- Lock** your bicycle in your garage the same way you would on the street.
- Take an urban bicycling workshop** with the San Francisco Bicycle Coalition to learn safe riding practices. Go to sfbike.org for more information.
- Speak with your local bicycle shop** for more help and advice.

TOOLS TO LOCK YOUR BICYCLE

There are many different types of locks for bicycles and many incorrect ways of using them. No locking method is 100% effective.

For best security use a hardened steel U-lock, chain and locking skewers.

- | | |
|------------------------|--|
| U-lock | <ul style="list-style-type: none"> • Very good deterrent • Use the smallest U-lock that works for your bike to minimize the amount of space available for thief to insert a jack or levers |
| Chain | <ul style="list-style-type: none"> • Hardened alloy steel with thickness of at least $\frac{3}{8}$" thick and heaviest is best |
| Locking Skewers | <ul style="list-style-type: none"> • Very good deterrent • Replace all quick release parts • Check local bike shops for proper installation |
| Cable | <ul style="list-style-type: none"> • Recommended for secondary locking device • Good security for movable parts |

Bike Theft Prevention Resources can be found at sfsafe.org/safe-bikes. Check it out for important safety information, upcoming events and tools!

PREVENTING BICYCLE THEFT IN GARAGES

Garages and multi-unit apartment buildings with common garage are one of the most vulnerable places for bicycles. Thieves are waiting for the perfect opportunity.

Secure your bicycle in the garage the same way you would on the street!

- Secure to an immovable object or an anchor system.
- Never lock your bike near a window or door.
- Always watch your garage door and make sure it closes completely so unwanted visitors do not enter.
- Contact SAFE at 415-553-1984 or info@sfsafe.org for a residential security survey.

SAFE BIKE REGISTRY

**YOUR
BICYCLE GETS
STOLEN—
NOW
WHAT?**

- File a police report through sf-police.org or visit your local police district station.
- Notify **SAFE BIKES** at info@sfsafe.org or call 415-553-1984.
- Provide pictures and serial numbers for bicycle with the police report and any identifying marks.
- If you don't have a serial number or pictures, track down your serial number from the point of purchase and/or use stock photos and send them to the investigator immediately.
- File an insurance claim.

INTERNET INVESTIGATIONS

- Post pictures of stolen bicycle to **Craigslist**, set up a **Google alert**, and use **IFTTT.com**.
- If bicycle is found, contact the SFPD investigator. **DO NOT** arrange a meeting and attempt to get your bicycle back.
- Check racklove.com and stolenbikeregistry.com to find your bicycle.
- Follow [@SFPDBikeTheft](https://twitter.com/SFPDBikeTheft) on Twitter for updates on bike theft-related information.

SAFE VIDEO SURVEILLANCE RECOMENDATIONS

Arlo Pro 2 (Arlo.com)

FEATURES

- View and Record in wide-screen from remote viewing
- Pre-Installed 500GB Hard Drive (expandable) up to 3TB
- Longer recording times (up to 30 days) available with use of motion detection and/or resolution adjustments
 - IP 66 indoor/outdoor weatherproof cameras
 - 24 LEDs for night vision

Amcrest.com (CCTV)

FEATURES

- Works with Alexa for voice control
- Flexible powering options use wire-free, plugged in
 - 7 Days of Cloud Recordings
 - 855 nm LEDs for night vision(25 ft)
- Arlo Smart adds powerful intelligence to your cameras. Customize alerts to detect people, specific zones, and contact first responders right from your smart phone's lock screen (optional service, includes 1-month trial)

Overview

Note: The following information is specific to commercial and retail establishments; however, can be applied to any location utilizing video surveillance.

Basic set up and maintenance problems can reduce the effectiveness of many systems.

- Resolution – is it good enough for facial recognition.
- Camera position – are they positioned for clear view of suspect.
- Lighting – is it adequate to capture clear images both day and night.
- Image detail – is the recorder set up for best image detail.
- Maintenance – are you maintaining your system properly so it can do its job when needed?

Set Up and Maintenance

- **Backlighting** – when sun is bright at doorway, images in front appear darker or even black. Use another light source inside to counteract back light.
- **Low Frame Rate** – saves on drive space and gives better image quality, but you may not get an image at all (now you see him; now you don't).
- **Obstructions** – displays and other objects blocking view **should be eliminated.**
- **Focus Problems** – must check system regularly to prevent.

Minimum camera resolution should be **480 horizontal lines.**

Good cameras have **faster lenses** (allows more lighting), larger maximum **aperture** opening (lets more light into the focal point of the camera) and controls image brightness (allows brighter images in dim lighting) – the more lighting, the more depth of field (greater depth of field; the more of the scene is in focus).

Focal Length – some cameras zoom in and out while others have a fixed focal length. The type of cameras used depends on what your needs are.

Transaction Areas – anything at a transaction point (cash register, toll booth, etc.), the subject's head should fill at least 15% of the total image in the frame, giving the detail you need.

Lines of Sight – lines of sight are always critical, make sure there are no obstructions.

Site Plan – the right site plan is crucial (retail store blueprint or **diagram**). Key camera spots are at transaction points (cash registers and entry/exit points) – the more cameras, the better.

You want good camera **overlap** (you want multiple chances to capture good images). Extra coverage is also needed for aisles, restrooms and other key points.

Camera Height – placement is very important, make sure it is as close to eye-level as possible. Otherwise, you might lose out to a baseball cap.

With a good site plan you can make sure you don't have any blind spots (you can toy around with camera positions, and do a test recording to see that you are getting what you want).

Interior Lighting – interior lighting can balance bright light from one direction (back lighting) by adding another light source from a different location (add a bank of lights).

Example: Artificial lighting (**inside store**) for cameras may be good in the morning, but by noon, the sun (through a doorway or window) can blow the entire frame out (add lighting to fill in for afternoon sunlight). Adding more light from a different direction balances lighting, giving better camera clarity (if sunlight is shining through large windows you can tent windows or add screens.

Exterior Lighting – if lights are on timers, you must adjust appropriate to seasonal changes (Fall/Winter: gets dark earlier. Spring/Summer: gets dark later).

For more information please contact San Francisco SAFE, | Phone - (415) 553-1984 | Email - info@sfsafe.org

PARK SMART CAMPAIGN

Park Smart!

THE KEYS TO PARKED CAR SAFETY ARE IN YOUR HANDS!

If you love it, don't leave it.

DON'T TEMPT A CAR THIEF!

Car thieves only need seconds to break into your car. So Park Smart, and especially keep your trunk clear.

Take everything with you.

Park Smart!

Safe Habits to Adopt:

Turn off the ignition
Never leave your car running unattended

Keep your vehicle & tires in good condition
to prevent breakdowns—stranding you in a dark or unfamiliar place

Lock your doors
when you get in your car

See something, say something
If you see a motorist in distress, call 9-1-1 versus stopping to help

Clear your trunk
and take your valuables with you every time you leave your car

If you are being followed,
drive to the nearest police or fire station—a populated area is a good default

San Francisco Police Department
Park Station

DON'T BE A VICTIM OF A BURGLARY!

Burglary Awareness & Prevention Tips for Construction Sites

Securing & Preventing

1. Secure all equipment and vehicles at all times.
2. Take effort to reduce the visibility of tools and equipment secured in vehicles or on job sites.
3. Make use of adequate lighting in conjunction with open chain-link fencing on the perimeter to allow for high visibility to the job site.
4. Strongly consider the use of security systems such as alarms and video surveillance. Ensure signage for such is clearly visible.

SFPD Park Station
1899 Waller Street
San Francisco, CA 94117
(415) 242-5000

Precautionary Measures

1. Photograph all tools. Ensure photographs clearly show the associated serial number and/or distinctive markings.
2. Ensure job site keys are marked "Do Not Duplicate" and are controlled at all times.
3. Attempt to park employee vehicles within visual range of the job site.

Should a Burglary Occur

Immediately contact 911. Be prepared to provide the following information:

- a) Time of incident.
- b) Video (if available).
- c) Items taken (include make, model, description, location taken from, value, photos and serial numbers).
- d) Insurance information.
- e) Owner's information.

Whether you live in a single family home, condo, or a large apartment complex in San Francisco, there are a number of ways you can keep your residence safe and secure. Working together as a community with your neighbors and building management can significantly improve your residential safety.

7 Residential Safety Tips

- 1 **Garage:** When entering or leaving the garage, watch to ensure door shuts completely. Lock stored bikes to a sturdy rack.
- 2 **Car:** Always lock your vehicle when parked in your garage and remove all valuables. Never leave garage door opener in your vehicle when parked outside your home.
- 3 **Spare Key:** Never hide spare keys. If you need to have a spare key available, leave it with a trusted neighbor.

- 4 **Door Buzzer:** When a visitor rings your bell, confirm who it is by intercom before you grant them access. Similarly, never let strangers follow you through the front door.
- 5 **Security Cameras & Alarm Systems:** Cost effective tools for preventing crime and identifying criminals.
- 6 **Light Timers:** Installing timers on the exterior of your residence is an effective and energy efficient way to deter criminal activity.
- 7 **Doors/Windows:** Always keep doors and windows locked.

Door and Window Safety

Doors:

- Should be made of solid wood or metal
- Have a single cylinder deadbolt lock and a 1-inch bolt
- Have a front door viewer or peep hole with a 180-degree range
- Clearly display unit number

Windows:

- Replace if glass is cracked and replace all damaged or missing locks
- Ground level windows should be burglary resistant: consider purchasing windows with reinforcement wire, laminate, or tempered glass
- Polycarbonate plastic or metal grates can be installed over existing ground level windows
- Windows above ground level are not considered secure: if used for ventilation, lock in position and keep open no more than 3 inches

Keep property in good repair. Maintain visibility to your neighbors for increased safety.

NOW'S THE TIME

JOIN THE SFPD

GO TO SFPDCAREERS.COM

Join the SFPD – and be part of San Francisco's finest!

San Francisco is a world-class city with a world-class police force. From Fisherman's Wharf to Golden Gate Park and from Nob Hill to the Tenderloin, whether we're on foot patrol, horseback, or in squad cars, investigating felonies, responding to emergencies or leading classes on public safety, we're working with you to help keep our community safe.

"The San Francisco Police Department offers qualified men and women the opportunity to make a positive difference in our citizens' daily lives. I encourage you to apply today to see how you can become one of San Francisco's finest."

– Chief William Scott

Applying is easy!

We are accepting Entry Level (Q-2) Police Officer applications. To apply please follow the 2-step process:

1. Apply with the City and County of San Francisco at www.jobaps.com/sf (Entry Level (Q-2) Police Officer)
2. Go to www.nationaltestingnetwork.com, choose law enforcement and register to take the San Francisco Police Department's Written Examination*.

*As part of this process, you will need to establish an account with NTN. A fee is required to take the written examination. Candidates with demonstrated financial hardship may submit a request to have the fee waived prior to test registration. See "Candidate FAQ #27" on the NTN website (<https://nationaltestingnetwork.com/publicsafetyjobs/faqs.cfm>) to learn more on how to apply for a fee waiver.

De-escalation

Through updated policies,
new training
and de-escalation techniques,
we've reduced our use of force
by 30% since 2016.

We're dedicated to providing
Safety With Respect for All.

DEFINITION OF SUSPICIOUS ACTIVITY

Suspicious activity is any observed behavior that could indicate a crime-related incident has been committed, or about to be committed. Unusual items or situations: A vehicle is parked in an odd location, a package/luggage is unattended, a window/door is open that is usually closed, or other out-of-the-ordinary situations occur.

Examples of Suspicious Activity:

- An individual peering into vehicles, to try, and locate any valuables left unattended.
- An individual trying door handles to vehicles, and/or residences to gain access to the vehicle and/ or residence.
- An individual checking front doors of residences to locate any unattended packages, or individuals following delivery trucks to see where the truck is dropping off packages.

CRIME DEFINITIONS*Definitions*

Robbery – Robbery is the taking of property from another by using force or by using fear.

Assault – An assault is an unlawful attempt, coupled with the present ability, to commit a violent injury on another person.

Battery - (Misdemeanor battery) is any willful and unlawful touching of another.

(**Felony battery**) is the use of force or violence upon the person of another that causes serious bodily injury.

***Assault** is when a person swings their arm and **battery** is when that arm makes contact with another person.

Aggravated Assault – Assault upon another person with a deadly weapon or instrument other than a firearm or by any means of force likely to produce great bodily injury.

Burglary – The intent upon entry into a property to commit grand theft, petty theft, or any felony.

Grand Theft – Grand theft is theft committed when the value of the money, labor, or property taken exceeds \$950.

Petty Theft – Theft where the value of the property taken is less than \$950.

PARK STATION'S VISION & VALUES**Captain Una Bailey**

I absolutely love police work and I love all that we as SFPD can do to help victims, solve and prevent crimes, and I am a firm believer in the power of the community. We, as a department, are only as successful as our partnerships with the community. I learned very early in my career how important community involvement is both in solving and preventing crimes and also in the creation of safe desirable neighborhoods. I look forward to building and maintaining community involvement and relationships over the coming years. I know that when we work together, we will create a district that will be safe and sound for all.

WHO AND WHEN TO CALL?

3-1-1: Please contact 3-1-1 when the issue is a not an emergency, yet requires City services or, if you simply have questions regarding City services. Non-emergency situations include the following examples: damage to public property, public trees that requires pruning, defective streets or sidewalks, homeless-related issues. 3-1-1 was developed to help the community inform the appropriate City agency regarding a service request.

SF 3-1-1 APP is available to use on your mobile device. Download the APP and its easy to use for many Non-emergency.

Non- Emergency San Francisco Dispatch Line: Please call the non- emergency dispatch line (**415-553-0123**) when the scenario does not need immediate response from the San Francisco Police Department. For example, if there is a loud party, a group of loud juveniles loitering in front of your residence, noise complaints, doubled parked vehicles, suspicious activities, or a homeless/nuisance related issue. **The non-emergency line is for situations that require the police, but do not require an immediate police response.**

9-1-1, please call 9-1-1 immediately if there is a police, fire, medical, or any other emergency. The purpose of San Francisco's 9-1-1 Emergency Telephone System is to provide the community an immediate response of police, fire, or medical personnel for emergency occurrences. To accomplish this, it is imperative that the calls received on the 9-1-1 line be restricted to those situations that require immediate dispatching of police, paramedic, or fire department personnel. For example, crimes or fires that are in-progress, or medical emergencies.

The San Francisco Police Department district station telephone numbers and emails are not monitored. Questions will be answered in the order we receive them. Station emails are not for making police reports nor for reporting a crime. If you need to make a police report, you can call 415-553-0123 or go to your district police station. **If you have an emergency, please call 9-1-1.**
