## Captain Robert Yick's Message

Friday, October 4th, 2019

Dear Residents and Community Members,

Today, we share a safety message from SF Safety Awareness For Everyone ( SF SAFE):

SAFE's Public Safety Coordinators provide personal safety presentations for children, youth, adults and the elderly. We combine common sense with proven techniques to increase safety at home, on the streets, public transportation, ATM safety and vehicle safety.

We provide information for victims of crime, including sexual assault and domestic violence victims, and tips for people with disabilities. We have a multi-lingual and multi-cultural team that can tailor safety presentations to any group.

### Personal Safety for Adults

Part 1: Stay Alert, Have a Plan, Trust Your Instincts

Part 2: Tools in Crime Prevention: Time, Light, Noise, and Human Activity

Part 3: Be a Good Witness: Know whom to call, Follow up, Know your resources

## RIDE ON!

### Make Bicycle Theft a Thing of the Past

In order to address the issues cyclists are faced with, SAFE has partnered with the San Francisco Police Department and dedicated community members to create SAFE Bikes. SAFE Bikes maintains a registry to help get your bike back to you in case it's stolen, and an information page to keep you and your bike out of harm's way.

The SAFE Bikes sticker and ID code have been instrumental in helping law enforcement get recovered bikes back to their owners. To register your bike with SAFE Bikes, you will need:

Make, model, serial number and complete description of the bicycle.

A photo of the purchase receipt

A photo of the bicycle

Please send an email at [info@sfsafe.org](mailto:info@sfsafe.org) with your name and address and we'll get you started with bike registration.

After your registration is complete, you will receive a sticker in the mail to place on your bike.
