Captain's Greeting

As we enter this holiday season, I want to wish everyone a very happy holiday as we share this time with our close friends and family. I want to ensure all of you that Mission Station is working diligently to provide a safe shopping environment through out the district. We are focusing additional resources in our shopping corridors so that everyone can enjoy a safe and prosperous season. We encourage all of you to shop locally and support our businesses as we continue to recover from this pandemic.

As the weather turns much milder, additional sheltering options are being implemented by the City for our unhoused community members.

Mission Station Police officers and staff are working hard as Santa's helpers to bring the joy of the season to more of our community. With a toy drive and bicycle giveaway, supported by several community members and organizations, we are looking forward to making this holiday season a great season for everyone.

Warmest Holiday Wishes

Community Surveys:

The San Francisco Police Department is committed to excellence in law enforcement and is dedicated to the people, traditions and diversity of our City. Our mission is to provide service with understanding, response with compassion, performance with integrity and law enforcement with vision.

As part of our ongoing outreach to engage with the community and measure our success, the Department has created a community survey link to obtain valuable community feedback for our community events and programs, which will assist the Department in the development of our strategies to meet the needs of the community. If you have recently attended or participated in an event or program hosted by the Department (such as Coffee with a Cop, National Night Out, ALERT program, Youth Summer program, Community Academy or Town Hall Meeting), and have feedback regarding the event or program you attended, please take some time to fill out our community survey.

The Department has also developed a Foot Beat/Bike Patrol survey to gather valuable community feedback on the effectiveness of the Foot Beat/Bicycle Patrol, as it relates to community policing and crime strategies and an Implicit Bias survey to measure progress in the Department's commitment to impartial policing and procedural justice. Please take the time to fill out the Foot Beat/Bicycle and Implicit Bias surveys. If you have already filled out a survey, thank you! Your response will help SFPD better serve our City and continue to support our community through Safety with Respect.

FEATURED MEMBER AND CITIZEN OF THE MONTH

Featured Police Service Aid (PSA) of December

PSA Catia Avila

Catia Avila has been a Police Service Aid (PSA) at Mission Station for approximately 5 years. Among the many duties of a PSA, Catia supports Mission Station by protecting restricted areas of the station, completing and filing reports/forms, and assisting citizens. PSA's undergo a training for this position which prepares them to provide supportive duties to police officers that do not require peace officer powers.

Catia was born in Azores, a remote island off the coast of Portugal in the North Atlantic Ocean. Catia visits Azores when she can and the slow paced island life provides an escape from the busy city life. Catia loves Azores for their beautiful beaches and amazing food.

Catia hopes to one day be a police officer. Catia is currently in backgrounds with the San Francisco Police Department. Catia loves Mission Station, specifically the people that she works with. This sentiment is felt by her coworkers as well, as Catia is a joy to work with and be around.

Featured Citizen of December

Ken Khoury - Castro Coffee Company

Ken Khoury is the owner of Castro Coffee Company. Ken has been in his current location for almost 35 years. Ken has been a Bay Area (predominantly San Francisco) resident for almost 50 years. Ken's business is in the heart of the Castro, located at 427 Castro Street. Ken loves the Castro district and has always felt that the wonderful community around him supports his small business.

Over the years, Ken has built friendships within the community that have survived the test of time and distance. As many of Ken's wonderful customers have moved out of the city or state, they still support him by purchasing online or calling in for deliveries.

Ken loves and cares for his neighborhood and the city of San Francisco. Ken hopes that timely solutions can be put into place to help remedy the existing conditions in the Castro.

- ◆ An individual trying door handles to vehicles, and/or residences to gain access to the vehicle and/ or residence.
- ◆ An individual checking front doors of residences to locate any unattended packages, or individuals following delivery trucks to see where the truck is dropping off packages.

See something.

ADDRESSING CRIME / SAFETY TIPS

With the Covid-19 restrictions lifting in phases and many of us are starting to venture out again, here are some Package Theft Prevention Guide from SFSafe to help prevent your packages from being stolen.

PACKAGE THEFT PREVENTION GUIDE

WON'T BE HOME?

Use the "Hold Package" option at USPS.com to have packages held at location post office for pick up. You can also arrange for neighborhoods to pick up any packages that might be delivered.

CUSTOMIZE DELIVERIES

Customize deliveries by adding specific delivery instructions using USPS.com and your tracking number. You can also schedule packages to arrive when you are home or reroute packages.

USE SPECIAL SERVICES

Use USPS special services like *Signature Confirmation* or *Registered Mail* to add a layer of security.

DELIVER TO SECURE LOCATIONS

Send packages to secure locations such as Amazon Lockers, FedEx and UPS locations, P.O. Boxes, and local post office.

REQUEST NONDESCRIPT PACKAGING

When completing your online order, opt for packaging that conceals the item or select the 'gift' option to ensure package arrives in a plain box especially when ordering from a high-end store.

USE MODERN ALTERNATIVES

Take advantage of contemporary options like smart lockers, lockboxes, cameras, motion detection lighting, alarms like Package Guard, and services like Doorman.

NETWORK WITH NEIGHBORS

Neighborhood groups on social media or community apps can provide a system for reporting suspicious activity. This is also a good way to keep your deliveries and neighborhood secure.

PORCH AREA VISIBILITY

Keep the porch area clear and visible. The more likely a would-be thief is to be seen, the more likely they are to choose another target.

PREVENT GARAGE DOOR BREAK-INS

Garages can sometimes be the most vulnerable area of the home and they are often the entry point most targeted by thieves because of the easy access to the home. Here are some tips to help secure your garage and protect it from theft.

ALWAYS CLOSE YOUR GARAGE DOOR

This may seem obvious, but just drive through any residential neighborhood and you'll likely see a few wide-open garage doors. This is an invitation to burglars and at the very least, you're allowing passersby to easily view the contents of your garage.

INSTALL MOTION-SENSITIVE LIGHTS

Homes and garages with poor exterior lighting become more appealing targets for burglars. Ensure all entry points are well-lit. Constant lighting supplemented by motion sensitive lighting is best.

REINFORCE THE GLASS ON THE GARAGE DOOR

Add vinyl adhesive to reinforce garage windows. You can also opt for a frosted or translucent glass design to allow sunlight in while obscuring contents inside.

DON'T LEAVE GARAGE DOOR REMOTE IN YOUR CAR

A garage door remote is basically another key into your home and thieves won't hesitate to use it if they find it. Opt to use a remote on a keychain.

INSTALL AN INTERIOR MANUAL GARAGE DOOR LOCK

When leaving on a vacation or for extended periods of time, disconnect automatic door motor and install a manual lock.

TIE EMERGENCY RELEASE CORD

Tying your emergency release cord into a small ball will make it more difficult to reach by thieves who manage to break the garage windows.

INSTALL SURVEILLANCE CAMERAS

There should be at least 1 exterior mounted camera facing the street and registered with the D.A.'s office.

SECURE ANY VALUABLES

Keep all tools in cabinet systems with locks and be sure to hang and lock any bicycles. As much as possible, try to avoid keeping valuable items in the garage or inside vehicles.

HAVE A QUALITY, FUNCTIONING GARAGE DOOR

Garage doors should be as secure, sturdy, and well-built as your front door and should remain in good condition and tight fitting. Deadbolts should also be added to the garage-to-house door.

INSTALL INTERIOR MAIL SLOT HOOD COVER

If the garage door is equipped with a mail slot, a hood cover will prevent any view into the garage and its contents, eliminating enticement to enter.

ADDRESSING CRIME / SAFETY TIPS

PREVENT THEFT FROM YOUR VEHICLE

Remember when parking your vehicle to ensure it is properly secured before walking away. Be sure that your windows are up, and your doors are locked. Thieves often check door handles to see if a car is unlocked. Remove all valuables from the inside of your car and take them with you. **PARK SMART!** Flyers available in English -Chinese - Spanish

Park Smart!

Safe Habits to Adopt:

Turn off the ignition

Never leave your car running unattended

Keep your vehicle & tires in good condition

to prevent breakdowns—stranding you in a dark or unfamiliar place

Lock your doors

If you see a motorist in distress, call 9-1-1 versus stopping to help

Clear your trunk

and take your valuables with you every time you leave your car

If you are being followed,

drive to the nearest police or fire station—a populated area is a good default

SUMMARIES OF SUPREME COURTS CASE LAWS

(RELEASED EVERY 3 MONTHS—FIRST WEEK JANUARY, APRIL, JULY, OCTOBER)

Kansas v. Glover (2020) 140 S.Ct. 1183.

A Kansas deputy sheriff ran a license plate check on a truck and discovered that the registered owner had a revoked driver's license. The deputy assumed the registered owner was driving the vehicle and pulled it over. The registered owner, Glover, was in fact driving and charged with being a habitual offender. Thereafter, Glover moved to suppress the evidence, claiming that the deputy lacked reasonable suspicion to detain him.

The United States Supreme Court held that, “when the officer lacks information negating an inference that the owner is the driver of the vehicle, the stop is reasonable.” The Court noted that the Fourth Amendment permits an officer to detain an individual when that officer has a “particularized and objective basis for suspecting the particular person stopped of criminal activity.” Officers must be permitted to make commonsense judgments and inferences regarding human behavior. The Court found that prior to pulling the vehicle over, the deputy observed an individual operating the vehicle, he knew the registered owner had a revoked license, and the model of the vehicle matched what he observed. From these facts the deputy drew the commonsense inference that the driver was the registered owner and the Court found that provided more than reasonable suspicion to initiate the traffic stop.

People v. Henderson (2020) 9 Cal.5th 1013

Henderson was convicted of first degree murder with special circumstances, the personal use of a deadly weapon, and sentenced to death which triggered an automatic appeal to the California Supreme Court. Following his arrest, and during a custodial interrogation, Henderson initially waived his Miranda rights. When asked if he was present at the scene of the crime, Henderson stated, “Uhm, there's some things that I, uhm, want uh ...” He was again asked if he was present and Henderson continued, “[want] uh, want to speak to an attorney first, because I, I take responsibility for me, but there's other people that...”

Under established Miranda law, officers must terminate a custodial interrogation of a suspect when that individual invokes their right to counsel or to be silent. That being said, “various cases have held that a suspect's use of equivocal words or phrases does not constitute a clear request for counsel.” A suspect must unambiguously assert his right to counsel or to remain silent. Courts objectively look to whether the suspect expressed their desire for counsel with sufficient clarity “that a reasonable police officer in the circumstances would understand the statement to be a request for an attorney.” Courts have found the following statements to be equivocal and not an invocation: “maybe I should talk to a lawyer;” “[i]f you can bring me a lawyer;” “I think it'd probably be a good idea for me to get an attorney.” In this case the court found that by stating, “[I] want to, speak to an attorney first,” Henderson did not use equivocal language and the California Supreme Court found this was a violation of the Fifth Amendment.

SF SAFE Mission

SF SAFE engages, educates, and empowers San Franciscans to build safer neighborhoods through crime prevention, education, and public safety services that result in stronger, more vibrant and resilient communities.

SF SAFE's services provide people with the tools, knowledge and skills to help address and prevent crime and violence and to become advocates for safety and wellness in their neighborhoods. Most services are provided cost-free to the San Francisco community. Ultimately, SF SAFE's work is about working together to create a safer San Francisco.

CPAB— PROJECT UPDATES

(PROVIDED MONTHLY 1ST WEEK)

Community Police Advisory Board (CPAB) “CPABs” are community-oriented police advisory boards for each police district. Each CPAB, led by the District Captain for that police district, is comprised of approximately 10 to 15 committed volunteer community members and a representative from the Community Engagement Division of the SFPD. District Captains may choose more members if they wish to accomplish specific tasks. Each district’s Board members live and/or work in the communities within that district, where a community may be either a neighborhood with specific needs or a specific demographic. Each member thus represents the diversity of their community. In addition to the district CPABs, there will also be a City-wide CPAB Steering Committee facilitated by SF Safety Awareness For Everyone (SAFE). Two representatives from each Community Police Advisory Board shall be selected to participate in this Committee, with the purpose of sharing information across districts.

BIAS FREE POLICING

Everyone deserves to be treated fairly.

SFPD officers undergo Implicit Bias & Procedural Justice training. Our goal is ensure fair, impartial community policing.

We're dedicated to providing *Safety With Respect for All.*

Learn about our ongoing efforts to eliminate bias and increase accountability at [sanfranciscopolice.org/bias-free](https://www.sanfranciscopolice.org/bias-free).

A guiding principle of the San Francisco Police Department is its commitment to treating all people with dignity, fairness, and respect. It is crucial for our members to carry out their duties in a manner free from bias and eliminate any perception of policing that appears biased. Biased policing is unsafe, unjust, and ineffective. It also alienates the public, fosters distrust of police, and undermines legitimate law enforcement efforts.

The SFPD is dedicated to ensuring our officers and professional staff provide unbiased, quality service to the diverse communities we work for. Our goal is to provide fair and positive interactions between San Francisco officers and the people we are proud to serve.
