## CABLE Juvenile Abuse Query (QJAB) Deactivation

Effective November 12, 2021, the Juvenile Abuse query in CABLE (via Level II) will be deactivated. The CABLE software system is now a legacy system that has no future support or maintenance, and this deactivation is part of an overall plan to modernize our systems.

Historical information contained within the CABLE database will remain accessible for Special Victims Unit Investigators via secure access through SharePoint.

Moving forward, members not assigned to the Special Victims Unit needing to query Department Juvenile Abuse information will need to contact the Officer in Charge of the Special Victims Unit at (415) 553-9225.
