March 24, 2022

CAPTAIN GAETANO CALTAGIRONE

COMMANDING OFFICER  
RICHMOND STATION

461 6TH AVENUE  
SAN FRANCISCO, CA 94118

STATION: 415-666-8000

Hello Richmond District Residents and Merchants,

This week is Tsunami Preparedness Week in California. Although rare, tsunamis are among the most devastating disasters in the world. Being prepared before, during and after a disaster is vital in the recovery process and the resiliency of communities. Be aware of the natural tsunami warning signs:

- Hear a loud roar from the ocean
- See a sudden rise or fall in the ocean
- Feel prolonged strong shaking

Official tsunami warnings are broadcast by TV, radio, outdoor sirens, and cellphone text messages and emergency alerts.

The California Governor’s Office of Emergency Services recommend that, if visiting or living near the California coastlines, know your evacuation routes and, in case of a tsunami, get to higher ground immediately.

## WHAT YOU NEED TO KNOW THIS MONTH

I think I have been a victim of a scam! What do I do?

Financial crimes include phone scams, counterfeit money, identity theft, and embezzlement. Scammers often target the elderly, low-income people, and business owners. In some cases, scammers have posed as IRS, courts, or utility representatives to cheat victims out of their money. In all of these cases, your first step is making a police report in person at your local district station or online [here](#). Next, preserve what evidence you may have. Evidence includes eyewitness accounts and/or documents. Useful documents include account statements, receipts and canceled checks. Finally, contact all your banking services and credit bureaus to notify them of the incident, as you may need to close your account or put a hold on your credit. For more information, visit our FAQ here: [Financial Crimes](#)

**100 Block 8th Ave**

Victim awoke to find suspect standing in her bedroom doorway and she was unable to escape past him, as he was blocking her path. Suspect kept trying to talk to Victim. **SEIZURE OF SELF BUILT FIREARM AKA "GHOST GUN" AND EXTENDED MAGAZINE**

**03/15/2022 0950 hrs**

**400 Block 31st Ave**

Officers responded to a report of suspects stealing a motorcycle. Upon their arrival they found two suspects working on a motorcycle, which was not reported stolen. Other officers attempted to contact the Registered Owner (RO) of the motorcycle, to see if it was unreported stolen, but were unsuccessful. The suspects were advised to stop working on the motorcycle until the RO could vouch that he had given them permission. After the suspects left, the officers opened the unlocked rear container on the motorcycle, to replace the loose nuts and bolts, and located an unloaded self-built firearm with no serial number, aka a "ghost gun", and a large capacity magazine containing unfired cartridges. As possession of either of these items is a misdemeanor, the officers seized the firearm and magazine.

### **San Francisco Police Release Burglary Awareness Crime Prevention Video**

The San Francisco Police Department would like to remind the public to stay safe and help protect yourself from vehicle and home burglaries. Below are some simple steps you can take to help prevent your home or vehicle from being burglarized.

- Do not leave valuables in your vehicle
- Remove garage door opener from your vehicle if parked outside your garage
- Lock the door from your garage leading inside your home
- "Block the cord" – garage door openers have an emergency release cord that, when pulled, disconnects the door from the mechanism thereby making it easy for burglars to enter your garage

For more information on how to protect yourself, your family and your home from burglary please click on the link below and watch our safety video.

# IF YOU SEE SOMETHING, SAY SOMETHING...

Suspicious activity is any observed AND articulable behavior that could indicate a crime-related incident has been committed, or is about to be committed. Articulable means you are capable of expressing, explaining, or justifying to our dispatchers and/or officers that you believe a person violated a law or regulation. Race, gender, religion, socio-economic status, style of dress, choice of hairstyle, etc. should NEVER be a factor in classifying someone as suspicious. Some examples of suspicious activity:

- Individual(s) peering into vehicles to try and locate any valuables left unattended.
- Individual(s) trying door handles to vehicles and/or residences to gain access.
- Individual(s) following delivery trucks to see where the truck is dropping off packages.

While this isn't an exhaustive list, nor absolute confirmation of a crime, we hope these examples will assist you should you ever need to call the police.

## ASK US

### *What is the SFPAL? What is the Law Enforcement Cadet Program?*

Fifty-five years ago, two policemen decided they wanted to do something about “the growing juvenile delinquency problem” in San Francisco. They courageously took out personal loans and started what has grown into the San Francisco Police Activities League. From this meager beginning and a handful of kids, SFPAL has grown to serve thousands of San Francisco youth – reaching every San Francisco neighborhood and block over the past half-century. Today, almost 1,200 kids participate in PAL healthy activities with the help of over 100 civilian and police volunteers every year.

The SFPAL Law Enforcement Cadet Program is a collaborative effort of SFPAL and the San Francisco Police Department (SFPD). The PAL Cadet Program has provided opportunities for growth, leadership, and career experiences for thousands of San Francisco youth — including many who have chosen to pursue law enforcement or public service careers. SFPAL Cadets receive training modeled after the basic training academy for new police recruits and are taught by SFPD Police Academy training staff. The program is designed to provide hands-on job skills training and leadership development through proper preparation and training.

# CRIME DEFINITIONS

**HOMICIDE:** Murder and non-negligent manslaughter is the willful killing of one human being by another. Deaths caused by negligence, attempts to kill, assaults to kill, suicides, and accidental deaths are excluded. Manslaughter by negligence is the killing of another person through gross negligence. Deaths of persons due to their own negligence, accidental deaths not resulting from gross negligence, and traffic fatalities are not included in the category of manslaughter by negligence.

**RAPE:** Penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person, without the consent of the victim. Attempts or assaults to commit rape are also included; however, statutory rape and incest are excluded.

**ROBBERY:** The taking or attempting to take anything of value from the care, custody, or control of a person or persons by force or threat of force or violence and/or by putting the victim in fear.

**AGGRAVATED ASSAULT:** An unlawful attack by one person upon another for the purpose of inflicting severe or aggravated bodily injury. This type of assault usually is accompanied by the use of a weapon or by means likely to produce death or great bodily harm. Simple assaults are excluded.

**BURGLARY:** The unlawful entry of a structure to commit a felony or a theft. Attempted forcible entry is included.

**LARCENY (aka THEFT):** The unlawful taking, carrying, leading, or riding away of property from the possession or constructive possession of another. Examples are thefts of bicycles, motor vehicle parts and accessories, shoplifting, pickpocketing, or the stealing of any property or article that is not taken by force and violence or by fraud. Attempted larcenies are included. Embezzlement, confidence games, forgery, check fraud, etc., are excluded.

**MOTOR VEHICLE THEFT:** The theft or attempted theft of a motor vehicle. A motor vehicle is self-propelled and runs on land surface and not on rails. Motorboats, construction equipment, airplanes, and farming equipment are specifically excluded from this category.

**ARSON:** Any willful or malicious burning or attempting to burn, with or without intent to defraud, a dwelling house, public building, motor vehicle or aircraft, personal property of another, etc.

# PREVENT GARAGE DOOR BREAK-INS

Garages can sometimes be the most vulnerable area of the home and they are often the entry point most targeted by thieves because of the easy access to the home. Here are some tips to help secure your garage and protect it from theft.

## ALWAYS CLOSE YOUR GARAGE DOOR

This may seem obvious, but just drive through any residential neighborhood and you'll likely see a few wide-open garage doors. This is an invitation to burglars and at the very least, you're allowing passersby to easily view the contents of your garage.

## INSTALL MOTION-SENSITIVE LIGHTS

Homes and garages with poor exterior lighting become more appealing targets for burglars. Ensure all entry points are well-lit. Constant lighting supplemented by motion sensitive lighting is best.

## REINFORCE THE GLASS ON THE GARAGE DOOR

Add vinyl adhesive to reinforce garage windows. You can also opt for a frosted or translucent glass design to allow sunlight in while obscuring contents inside.

## DON'T LEAVE GARAGE DOOR REMOTE IN YOUR CAR

A garage door remote is basically another key into your home and thieves won't hesitate to use it if they find it. Opt to use a remote on a keychain.

## INSTALL AN INTERIOR MANUAL GARAGE DOOR LOCK

When leaving on a vacation or for extended periods of time, disconnect automatic door motor and install a manual lock.

## TIE EMERGENCY RELEASE CORD

Tying your emergency release cord into a small ball will make it more difficult to reach by thieves who manage to break the garage windows.

## INSTALL SURVEILLANCE CAMERAS

There should be at least 1 exterior mounted camera facing the street and registered with the D.A.'s office.

## SECURE ANY VALUABLES

Keep all tools in cabinet systems with locks and be sure to hang and lock any bicycles. As much as possible, try to avoid keeping valuable items in the garage or inside vehicles.

## HAVE A QUALITY, FUNCTIONING GARAGE DOOR

Garage doors should be as secure, sturdy, and well-built as your front door and should remain in good condition and tight fitting. Deadbolts should also be added to the garage-to-house door.

## INSTALL INTERIOR MAIL SLOT HOOD COVER

If the garage door is equipped with a mail slot, a hood cover will prevent any view into the garage and its contents, eliminating enticement to enter.

# PREVENT GARAGE DOOR BREAK-INS

## ANATOMY OF A SAFE GARAGE

### Your home is only as safe as its weakest entry point.

Your garage is an important part of your home and securing your garage is one of the most essential steps to securing your entire home. It is always recommended to regularly check and update your home's security system and safety measures.

For more information, please contact SF SAFE at (415) 553-1984 or visit [sfsafe.org](http://sfsafe.org).

**PREVENTION**

- Are there any valuables or seemingly insignificant loose items visible in your car?
  - Place all loose items in the trunk of your car before you arrive to your destination to ensure thieves won't know what you are hiding.
- Traveling from out of town?
  - Check your luggage at the hotel instead of keeping it in your car.

**BROKEN WINDOW  
OR TRUNK**

- Is the break-in happening right now?
  - Call 9-1-1 with your location and suspect description.
- Did the break-in already happen?
  - File a police report on-line ([www.sanfranciscopolice.org/reports](http://www.sanfranciscopolice.org/reports)), or call 3-1-1.

**CAR BREAK-IN**

- What was stolen? Make a list of stolen items.
  - Although not required, you should provide the estimated value along with serial numbers to any electronics on a police report that can be filed online ([www.sanfranciscopolice.org/reports](http://www.sanfranciscopolice.org/reports)), or call 415-553-0123.
  - If credit cards were stolen, cancel them as soon as possible and check to see if any unauthorized activity has occurred. If so, include this activity on the police report.
  - If an original passport or social security card was stolen, go to the nearest police station.

**FIREARMS THEFT**

- Was any type of firearm stolen?
  - If so, immediately go to a police station or call the police non-emergency line: 415-553-0123.

**REPORTING**

- Is a police report needed for an insurance claim?
  - A formal police report can be completed online ([www.sanfranciscopolice.org/reports](http://www.sanfranciscopolice.org/reports)), in person at any San Francisco Police Station, or by calling 3-1-1.
