## Captain's Message July 28, 2022

### Dear Central District Community Members,

I encourage everyone to come out to the Annual National Night Out on Tuesday, August 2, 2022. This free event is open to the public and is a gathering of first responders and community members in a safe and fun space. Salesian Boys and Girls Club will once again host the festivities at 680 Filbert Street. All are welcome and we look forward to seeing you there.

(See page 17 of this newsletter for more information.)

Summer is still in full swing and I see folks enjoying the parks and playgrounds in the district. Please be mindful that opportunistic people will break into vehicles if belongings are left inside. Take your belongings with you if you can or leave them at home. As always, if you see something, say something.

Thank you, again, Central District for your support and engagement with me. It is my mission to ensure that we serve with respect and are responsive to the needs of our residents and visitors.

Stay safe and healthy, Acting Captain Farmer

Acting Captain  
Douglas Farmer  
Commanding Officer

## Featured Officer of the Month

### OFFICER ANDREW KIDD

Officer Kidd joined the department in June of 2017 and completed the academy in February of 2018. Officer Kidd was assigned to FTO in the Mission District, probation in the Taraval District and was fortunate to be assigned his permanent station at Central Station. Officer Kidd loves working the midnight shift in the Central District because night life is active, traffic is minimal and there is time for proactive police work. Officer Kidd enjoys being proactive and his favorite part of the job is catching criminals and helping the community. Officer Kidd is a Field Training Officer for the department and loves training new officers. When Officer Kidd is not working, he tends to his 11 acres out in the woods, riding his horses and spending time with his 2 daughters and a menagerie of farm animals.

We are lucky to have Officer Kidd and appreciate all his effort and hard work.

As part of our ongoing outreach to engage with the community and measure our success, the Department has created a community survey link to obtain valuable community feedback for our community events and programs, which will assist the Department in the development of our strategies to meet the needs of the community. If you have recently attended or participated in an event or program hosted by the Department (such as Coffee with a Cop, National Night Out, ALERT program, Youth Summer program, Community Academy or Town Hall Meeting), and have feedback regarding the event or program you attended, please take some time to fill out our community survey.

The Department has also developed a Foot Beat/Bike Patrol survey to gather valuable community feedback on the effectiveness of the Foot Beat/Bicycle Patrol, as it relates to community policing and crime strategies and an Implicit Bias survey to measure progress in the Department's commitment to impartial policing and procedural justice. Please take the time to fill out the Foot Beat/Bicycle and Implicit Bias surveys. If you have already filled out a survey, thank you! Your response will help SFPD better serve our City and continue to support our community through Safety with Respect.

### **San Francisco Police Warns Public About Telephone Scam**

San Francisco Police have received information that scammers are contacting residents claiming they have outstanding warrants or have committed crimes and must pay a fine. These scammers sometimes use technology known as “caller ID spoofing” to display an SFPD phone number or other official looking phone numbers on the victim’s caller ID.

The public should be reminded that the San Francisco Police Department does not:

- Make cold calls asking for donations
- Call people to tell them about warrants
- Ask for money, gift cards or wire transfers to pay off warrants

San Francisco Police urge all members of the community to be suspicious of strangers calling for money to pay outstanding warrants or fines as this is not the correct procedure. Anyone who receives such a call should hang up immediately. Do not engage the caller in conversation and never give out personal information.

## Definition of Community Policing

Community policing, or community-oriented policing, is a strategy of policing that focuses on the police building ties and working closely with members of the communities.

- Homeless Outreach and Outreach to Drug Users: Central Station officers coordinate with city agencies to provide outreach and assistance to rehabilitate those who are dependent on illegal drugs and outreach to homeless individuals to connect them with resources and support.
- Foot Patrols: Central Station has beat officers assigned to the Chinatown, North Beach, Union Square and Fisherman's Wharf corridors.
- Monthly Police Community Relations Meetings: Community Meetings are held continuously. Officers also attend meetings with merchants groups, business groups, development authorities and others. Concerns are voiced and addressed through problem solving.

# Community Engagement

## Community Engagement Division (CED)

Throughout the year, SFPD officers based at 3401 17<sup>th</sup> Street, are assigned full-time to proactively engage with the community through relationship building, events, forums, panel discussions, participation in community events, working with community leaders and leading a variety of special programs to benefit local youth. In addition, this unit promotes community policing and community engagement in support of District Station activities.

CED officers participate in programs like backpack journeys with middle-school students, homework assistance, turkey giveaways at Thanksgiving, tree and toy giveaways during the Holiday Season and they also attend neighborhood events.

The CED works closely with all ten SFPD districts by collaborating with a designated liaison allowing each station to keep CED informed of upcoming community events and concerns. The CED is committed to its continued work with community leaders in order to build on reciprocity and shared understandings of the concerns within the diverse communities represented in San Francisco. As a department we are dedicated to understanding the various concerns and needs specific to each group.

In addition, CED collaborates on community events with organizations including Mothers Against Drunk Drivers, the Make-a-Wish Foundation, Special Olympics of Northern California and others.

Here are a few other programs in which the Community Engagement Division participates:

The [Wilderness Adventure Program](#), in which officers accompany youth on backpacking, kayaking and other outdoor adventures.

The [Police Activities League](#), which sponsors a variety of programs for youth, including fishing trips, football, and martial arts.

The [Reserve Police Officer Program](#), which prepares volunteers to assist city police.

## Community Engagement Corner

Central Station Officers Steve Collins and Mitch Rowan (l-r) running and carrying the Special Olympics torch during the Law Enforcement Torch Run (LETR). The officers completed a 10 mile course through the city.

Known as Guardians of the Flame, law enforcement members and Special Olympics athletes carry the “Flame of Hope” into Opening Ceremonies of local competitions. They also carry it into Special Olympics State, Provincial, National, Regional and World Games. There are over 97,000 law enforcement members that carry the “Flame of Hope” annually. The flame symbolizes courage and celebration of diversity uniting communities around the globe.

Kansas City Retired Chief of Police Richard LaMunyon once said, “What started in 1981...as a flicker of hope for Special Olympics has now become a roaring flame of stability for Special Olympics athletes worldwide.” LETR is changing the future for people with intellectual disabilities. Through the LETR and Special Olympics partnership we are lighting the way for acceptance and inclusion.

## Summaries of Supreme Courts Case Laws

### **Kansas v. Glover (2020) 140 S.Ct. 1183.**

A Kansas deputy sheriff ran a license plate check on a truck and discovered that the registered owner had a revoked driver's license. The deputy assumed the registered owner was driving the vehicle and pulled it over. The registered owner, Glover, was in fact driving and charged with being a habitual offender. Thereafter, Glover moved to suppress the evidence, claiming that the deputy lacked reasonable suspicion to detain him.

The United States Supreme Court held that, "when the officer lacks information negating an inference that the owner is the driver of the vehicle, the stop is reasonable." The Court noted that the Fourth Amendment permits an officer to detain an individual when that officer has a "particularized and objective basis for suspecting the particular person stopped of criminal activity." Officers must be permitted to make commonsense judgements and inferences regarding human behavior. The Court found that prior to pulling the vehicle over, the deputy observed an individual operating the vehicle, he knew the registered owner had a revoked license, and the model of the vehicle matched what he observed. From these facts the deputy drew the commonsense inference that the driver was the registered owner and the Court found that provided more than reasonable suspicion to initiate the traffic stop.

### **People v. Henderson (2020) 9 Cal.5th 1013**

Henderson was convicted of first degree murder with special circumstances, the personal use of a deadly weapon, and sentenced to death which triggered an automatic appeal to the California Supreme Court. Following his arrest, and during a custodial interrogation, Henderson initially waived his Miranda rights. When asked if he was present at the scene of the crime, Henderson stated, "Uhm, there's some things that I, uhm, want uh ...". He was again asked if he was present and Henderson continued, "[want] uh, want to speak to an attorney first, because I, I take responsibility for me, but there's other people that..."

Under established Miranda law, officers must terminate a custodial interrogation of a suspect when that individual invokes their right to counsel or to be silent. That being said, "various cases have held that a suspect's use of equivocal words or phrases does not constitute a clear request for counsel." A suspect must unambiguously assert his right to counsel or to remain silent. Courts objectively look to whether the suspect expressed their desire for counsel with sufficient clarity "that a reasonable police officer in the circumstances would understand the statement to be a request for an attorney." Courts have found the following statements to be equivocal and not an invocation: "maybe I should talk to a lawyer;" "[i]f you can bring me a lawyer;" "I think it'd probably be a good idea for me to get an attorney." In this case the court found that by stating, "[I] want to, speak to an attorney first," Henderson did not use equivocal language and the California Supreme Court found this was a violation of the Fifth Amendment.

### San Francisco Police Release Burglary Awareness Crime Prevention Video

The San Francisco Police Department would like to remind the public to stay safe and help protect yourself from vehicle and home burglaries. Below are some simple steps you can take to help prevent your home or vehicle from being burglarized.

- Do not leave valuables in your vehicle
- Remove garage door opener from your vehicle if parked outside your garage
- Lock the door from your garage leading inside your home
- “Block the cord” – garage door openers have an emergency release cord that, when pulled, disconnects the door from the mechanism thereby making it easy for burglars to enter your garage

For more information on how to protect yourself, your family and your home from burglary please click on the link below and watch our safety video.

Take advantage of contemporary options like smart lockers, lockboxes, cameras, motion detection lighting, alarms like Package Guard, and services like Doorman.

### NETWORK WITH NEIGHBORS

Neighborhood groups on social media or community apps can provide a system for reporting suspicious activity. This is also a good way to keep your deliveries and neighborhood secure.

### PORCH AREA VISIBILITY

Keep the porch area clear and visible. The more likely a would-be thief is to be seen, the more likely they are to choose another target.

# PREVENT GARAGE DOOR BREAK-INS

Garages can sometimes be the most vulnerable area of the home and they are often the entry point most targeted by thieves because of the easy access to the home. Here are some tips to help secure your garage and protect it from theft.

## ALWAYS CLOSE YOUR GARAGE DOOR

This may seem obvious, but just drive through any residential neighborhood and you'll likely see a few wide-open garage doors. This is an invitation to burglars and at the very least, you're allowing passersby to easily view the contents of your garage.

## INSTALL MOTION-SENSITIVE LIGHTS

Homes and garages with poor exterior lighting become more appealing targets for burglars. Ensure all entry points are well-lit. Constant lighting supplemented by motion sensitive lighting is best.

## REINFORCE THE GLASS ON THE GARAGE DOOR

Add vinyl adhesive to reinforce garage windows. You can also opt for a frosted or translucent glass design to allow sunlight in while obscuring contents inside.

## DON'T LEAVE GARAGE DOOR REMOTE IN YOUR CAR

A garage door remote is basically another key into your home and thieves won't hesitate to use it if they find it. Opt to use a remote on a keychain.

## INSTALL AN INTERIOR MANUAL GARAGE DOOR LOCK

When leaving on a vacation or for extended periods of time, disconnect automatic door motor and install a manual lock.

## TIE EMERGENCY RELEASE CORD

Tying your emergency release cord into a small ball will make it more difficult to reach by thieves who manage to break the garage windows.

## INSTALL SURVEILLANCE CAMERAS

There should be at least 1 exterior mounted camera facing the street and registered with the D.A.'s office.

## SECURE ANY VALUABLES

Keep all tools in cabinet systems with locks and be sure to hang and lock any bicycles. As much as possible, try to avoid keeping valuable items in the garage or inside vehicles.

## HAVE A QUALITY, FUNCTIONING GARAGE DOOR

Garage doors should be as secure, sturdy, and well-built as your front door and should remain in good condition and tight fitting. Deadbolts should also be added to the garage-to-house door.

## INSTALL INTERIOR MAIL SLOT HOOD COVER

If the garage door is equipped with a mail slot, a hood cover will prevent any view into the garage and its contents, eliminating enticement to enter.

# PREVENT GARAGE DOOR BREAK-INS

## ANATOMY OF A SAFE GARAGE

### Your home is only as safe as its weakest entry point.

Your garage is an important part of your home and securing your garage is one of the most essential steps to securing your entire home. It is always recommended to regularly check and update your home's security system and safety measures.

## Addressing Crime / Safety Tips

### PREVENT THEFT FROM YOUR VEHICLE

Remember when parking your vehicle to ensure it is properly secured before walking away. Be sure that your windows are up, and your doors are locked. Thieves often check door handles to see if a car is unlocked. Remove all valuables from the inside of your car and take them with you. **PARK SMART!** Flyers available in English -Chinese - Spanish

## Safe Habits to Adopt:

### Turn off the ignition

Never leave your car running unattended

### Keep your vehicle & tires in good condition

to prevent breakdowns—stranding you in a dark or unfamiliar place

### Lock your doors

when you get in your car

### See something, say something

If you see a motorist in distress, call 9-1-1 versus stopping to help

### Clear your trunk

and take your valuables with you every time you leave your car

### If you are being followed,

drive to the nearest police or fire station—a populated area is a good default

## SHARING THE ROAD WITH CYCLISTS

When it comes to safely sharing the road with cyclists, it's paramount for drivers to learn how to coexist.

### ➔ Share the Road

When out and about, drivers need to be ever-mindful of sharing the road with cyclists.

### ➔ Follow the 3 Foot Rule

Maintain a distance of 36 inches from cyclists whenever passing them. If possible, keep an even wider berth if there's bad weather or if in a higher speed limit zone.

### ➔ Be Cautious with Kids

Kids can be unpredictable since their motor skills and decision-making faculties aren't fully developed. Be on alert when driving near schools and residential areas.

### ➔ Stay Off the Horn

Sudden honking might startle a cyclist and can cause them to swerve into traffic or off the road.

### ➔ Mind Your Blind Spots

Drivers should double-check their mirrors when changing lanes, making turns, and especially before opening their car door after parking.

### ➔ Be Patient

Don't tailgate a cyclist. When you need to pass one, patiently wait until it's safe to do so.

My name is Hunter Jones. My parents created Hunter's Chest to help kids in need. It's simple. It's a bag with essential items given to kids who are the victims of crime or who's parents have been arrested or who are otherwise in need. It has diapers, toys, snacks, water, etc. Enough to get through whatever ordeal is going on. The bags are at police stations and special victim's units. The money raised will be used to buy supplies for the things that aren't donated. Thank you for helping!!

## CPAB– Project updates

## AUG 2022

Community Police Advisory Board (CPAB) “CPABs” are community-oriented police advisory boards for each police district. Each CPAB, led by the District Captain for that police district, is comprised of approximately 10 to 15 committed volunteer community members and a representative from the Community Engagement Division of the SFPD. District Captains may choose more members if they wish to accomplish specific tasks. Each district’s Board members live and/or work in the communities within that district, where a community may be either a neighborhood with specific needs or a specific demographic. Thus, each member represents the diversity of their community. In addition to the district CPABs, there will also be a City-wide CPAB Steering Committee facilitated by SF Safety Awareness For Everyone (SAFE). Two representatives from each Community Police Advisory Board shall be selected to participate in this committee, with the purpose of sharing information across districts.

During the June meeting, agenda items included issues related to increased tourism in the district, illegal vending operations, the prevalence of motorized scooters along the waterfront, and the Union Square staffing. Assistant District Attorney updated the CPAB on notable cases. The July meeting is combined with the August meeting on August 17, 2022.
