Captain's Message

Issue 186

November 17, 2022

Good morning Bayview Community,

The holiday season is upon us. Most of us will be shopping or traveling in some capacity. Be mindful of your surroundings, whether you are walking, driving, or taking public transportation. Distractions such as being on your cell phone can increase your likelihood of becoming a victim. Keep in mind, criminals tend to target those individuals they perceive as being distracted and unaware of their surroundings.

In addition, please remember not to store shopping bags or personal items in your parked vehicle while unattended. More parked vehicles mean more opportunities for thieves to break into your vehicle. Also, try to park in a well-lit, open area and walk with your keys already in your hand.

To end, this Saturday will be the last Alice Griffith Outdoors event of the year. This free family-friendly event includes a resource fair, arts and crafts, sports activities, and food. Please see page 37 for more information.

Please feel free to contact me at David.S.Maron@sfgov.org anytime with your thoughts, comments, or concerns.

Community Engagement

Community Engagement Division (CED)

Throughout the year, SFPD officers based at 3401 17th Street, are assigned full-time to proactively engage with the community through relationship building, events, forums, panel discussions, participation in community events, working with community leaders and leading a variety of special programs to benefit local youth. In addition, this unit promotes community policing and community engagement in support of District Station activities.

CED officers participate in programs like backpack journeys with middle-school students, homework assistance, turkey giveaways at Thanksgiving, tree and toy giveaways during the Holiday Season and they also attend neighborhood events.

The CED works closely with all ten SFPD districts by collaborating with a designated liaison allowing each station to keep CED informed of upcoming community events and concerns. The CED is committed to its continued work with community leaders in order to build on reciprocity and shared understandings of the concerns within the diverse communities represented in San Francisco. As a department we are dedicated to understanding the various concerns and needs specific to each group.

In addition, CED collaborates on community events with organizations including Mothers Against Drunk Drivers, the Make-a-Wish Foundation, Special Olympics of Northern California and others.

Here are a few other programs in which the Community Engagement Division participates:

The [Wilderness Adventure Program](#), in which officers accompany youth on backpacking, kayaking and other outdoor adventures.

The [Police Activities League](#), which sponsors a variety of programs for youth, including fishing trips, football, and martial arts.

The [Reserve Police Officer Program](#), which prepares volunteers to assist city police.

CRIME PREVENTION / SAFETY TIPS

Burglary Awareness Crime Prevention Video

The San Francisco Police Department would like to remind the public to stay safe and help protect yourself from vehicle and home burglaries. Below are some simple steps you can take to help prevent your home or vehicle from being burglarized.

- Remove garage door opener from your vehicle if parked outside your garage
- Lock the door from your garage leading inside your home
- “Block the cord” – garage door openers have an emergency release cord that, when pulled, disconnects the door from the mechanism thereby making it easy for burglars to enter your garage

For more information on how to protect yourself, your family and your home from burglaries please click on the following link and watch our safety video: <https://vimeo.com/477012071>

CRIME PREVENTION / SAFETY TIPS

PACKAGE THEFT PREVENTION GUIDE

One rarely falls in love without being as much attracted to what is interestingly wrong with someone as what is objectively healthy

☐ WON'T BE HOME?

Use the "Hold Package" option at USPS.com to have packages held at location post office for pick up. You can also arrange for neighborhoods to pick up any packages that might be delivered.

☐ CUSTOMIZE DELIVERIES

Customize deliveries by adding specific delivery instructions using USPS.com and your tracking number. You can also schedule packages to arrive when you are home or reroute packages.

☐ USE SPECIAL SERVICES

Use USPS special services like *Signature Confirmation* or *Registered Mail* to add a layer of security.

☐ DELIVER TO SECURE LOCATIONS

Send packages to secure locations such as Amazon Lockers, FedEx and UPS locations, P.O. Boxes, and local post office.

☐ REQUEST NONDESCRIPT PACKAGING

When completing your online order, opt for packaging that conceals the item or select the 'gift' option to ensure package arrives in a plain box especially when ordering from a high-end store.

☐ USE MODERN ALTERNATIVES

Take advantage of contemporary options like smart lockers, lockboxes, cameras, motion detection lighting, alarms like Package Guard, and services like Doorman.

☐ NETWORK WITH NEIGHBORS

Neighborhood groups on social media or community apps can provide a system for reporting suspicious activity. This is also a good way to keep your deliveries and neighborhood secure.

☐ PORCH AREA VISIBILITY

Keep the porch area clear and visible. The more likely a would-be thief is to be seen, the more likely they are to choose another target.

CRIME PREVENTION / SAFETY TIPS

PREVENT GARAGE DOOR BREAK-INS

Garages can sometimes be the most vulnerable area of the home and they are often the entry point most targeted by thieves because of the easy access to the home. Here are some tips to help secure your garage and protect it from theft.

ALWAYS CLOSE YOUR GARAGE DOOR

This may seem obvious, but just drive through any residential neighborhood and you'll likely see a few wide-open garage doors. This is an invitation to burglars and at the very least, you're allowing passersby to easily view the contents of your garage.

INSTALL MOTION-SENSITIVE LIGHTS

Homes and garages with poor exterior lighting become more appealing targets for burglars. Ensure all entry points are well-lit. Constant lighting supplemented by motion sensitive lighting is best.

REINFORCE THE GLASS ON THE GARAGE DOOR

Add vinyl adhesive to reinforce garage windows. You can also opt for a frosted or translucent glass design to allow sunlight in while obscuring contents inside.

DON'T LEAVE GARAGE DOOR REMOTE IN YOUR CAR

A garage door remote is basically another key into your home and thieves won't hesitate to use it if they find it. Opt to use a remote on a keychain.

INSTALL AN INTERIOR MANUAL GARAGE DOOR LOCK

When leaving on a vacation or for extended periods of time, disconnect automatic door motor and install a manual lock.

TIE EMERGENCY RELEASE CORD

Tying your emergency release cord into a small ball will make it more difficult to reach by thieves who manage to break the garage windows.

INSTALL SURVEILLANCE CAMERAS

There should be at least 1 exterior mounted camera facing the street and registered with the D.A.'s office.

SECURE ANY VALUABLES

Keep all tools in cabinet systems with locks and be sure to hang and lock any bicycles. As much as possible, try to avoid keeping valuable items in the garage or inside vehicles.

HAVE A QUALITY, FUNCTIONING GARAGE DOOR

Garage doors should be as secure, sturdy, and well-built as your front door and should remain in good condition and tight fitting. Deadbolts should also be added to the garage-to-house door.

INSTALL INTERIOR MAIL SLOT HOOD COVER

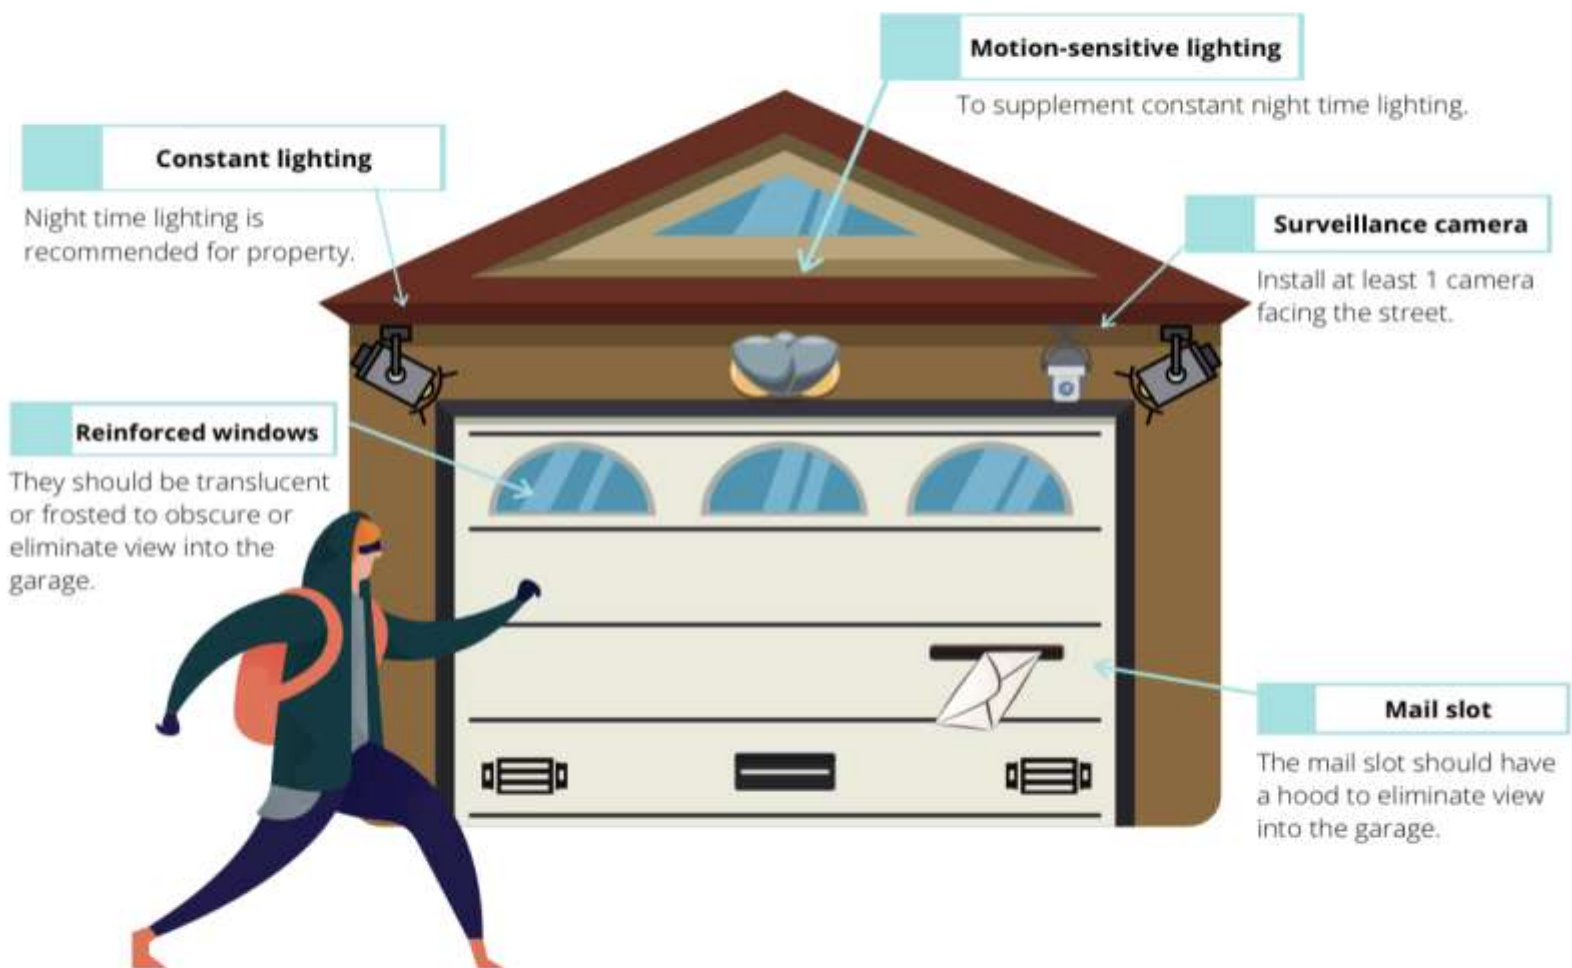

If the garage door is equipped with a mail slot, a hood cover will prevent any view into the garage and its contents, eliminating enticement to enter.

ANATOMY OF A SAFE GARAGE

Your garage is an important part of your home and securing your garage is one of the most essential steps to securing your entire home. It is always recommended to regularly check and update your home's security system and safety measures.

CRIME PREVENTION TIPS FOR ROBBERY

- Trust your instincts. If you sense trouble, get away as soon as possible.
- Show confidence. Walk at a steady pace, keep your head up and avoid carrying lots of packages...It can make you look defenseless.
- Don't look like an easy target. Robbers want someone who will provide the least resistance. If you look like you know where you are going, walk with your head up and eyes alert, you will most likely be left alone.
- Be observant.
- Remain alert and observe the people around you. Know who is walking behind and in front of you. Things to watch for include suspicious persons, people just loitering around or vehicles.
- Be aware of your surroundings. If you think you are being followed, go to a crowded area.
- Walk in well-lit areas. If possible, do not walk alone.
- Do not carry large amounts of money.
- Carry keys in your hand.

CRIME PREVENTION TIPS FOR BURGLARY

- Never leave your home doors unlocked or open. Use dead bolt locks, they are a great deterrent to burglars.
- When you leave, close and lock your windows. Many burglars enter homes and apartments through open windows. Windows on or near fire escapes should remain locked.
- Don't "buzz" strangers in. Don't permit unexpected utility workers, deliverymen, or strangers into your home. Ask them for their I.D. and phone number to their office. Call 911 if you are not sure of their identity. Call the police to report suspicious activity.
- Give your home or apartment an "occupied look." Lights or a radio on automatic times may help deter burglars. Bright motion activated lights are a good deterrent as well.
- Install security cameras or burglar alarms. Most are DIY with easy installation and are assessable with an app on your smart phone.
- If your park your car inside your garage, lock the car doors. Burglars will steal garage door openers and come back when you are not home.
- Trim shrubs and branches away from doors and windows for better visibility.

- Trust your instincts. If something does not feel right, find another place to park.
- Close all windows and lock all doors before leaving your vehicle.
- Be aware of your surroundings.
- Do not leave garage door openers in parked vehicles.

TRAFFIC SAFETY

As part of the City's "Vision Zero" goal to end traffic fatalities by 2024, the San Francisco Police Department has committed to "Focus on the Five". Collision data from the SFPD and SFMTA have determined the following violations to be the primary collision factors in most injury accidents:

- Yield While Turning
- Stop Sign
- Speeding
- Red Light
- Pedestrian Right of Way

As we live, work and play in the City by the Bay, we want to feel safe as we move around. Please help us reach this goal by giving your full attention to the road without any distractions.

SAFETY TIPS

Vison Zero SFMTA

SHARING THE ROAD WITH CYCLISTS

When it comes to safely sharing the road with cyclists, it's paramount for drivers to learn how to coexist.

➔ Share the Road

When out and about, drivers need to be ever-mindful of sharing the road with cyclists.

➔ Stay Off the Horn

Sudden honking might startle a cyclist and can cause them to swerve into traffic or off the road.

➔ Follow the 3 Foot Rule

Maintain a distance of 36 inches from cyclists whenever passing them. If possible, keep an even wider berth if there's bad weather or if in a higher speed limit zone.

➔ Mind Your Blind Spots

Drivers should double-check their mirrors when changing lanes, making turns, and especially before opening their car door after parking.

➔ Be Cautious with Kids

Kids can be unpredictable since their motor skills and decision-making faculties aren't fully developed. Be on alert when driving near schools and residential areas.

➔ Be Patient

Don't tailgate a cyclist. When you need to pass one, patiently wait until it's safe to do so.

Summaries of Supreme Courts Case Laws

Kansas v. Glover (2020) 140 S.Ct. 1183.

A Kansas deputy sheriff ran a license plate check on a truck and discovered that the registered owner had a revoked driver's license. The deputy assumed the registered owner was driving the vehicle and pulled it over. The registered owner, Glover, was in fact driving and charged with being a habitual offender. Thereafter, Glover moved to suppress the evidence, claiming that the deputy lacked reasonable suspicion to detain him.

The United States Supreme Court held that, "when the officer lacks information negating an inference that the owner is the driver of the vehicle, the stop is reasonable." The Court noted that the Fourth Amendment permits an officer to detain an individual when that officer has a "particularized and objective basis for suspecting the particular person stopped of criminal activity." Officers must be permitted to make commonsense judgements and inferences regarding human behavior. The Court found that prior to pulling the vehicle over, the deputy observed an individual operating the vehicle, he knew the registered owner had a revoked license, and the model of the vehicle matched what he observed. From these facts the deputy drew the commonsense inference that the driver was the registered owner and the Court found that provided more than reasonable suspicion to initiate the traffic stop.

People v. Henderson (2020) 9 Cal.5th 1013

Henderson was convicted of first degree murder with special circumstances, the personal use of a deadly weapon, and sentenced to death which triggered an automatic appeal to the California Supreme Court. Following his arrest, and during a custodial interrogation, Henderson initially waived his Miranda rights. When asked if he was present at the scene of the crime, Henderson stated, "Uhm, there's some things that I, uhm, want uh ..." He was again asked if he was present and Henderson continued, "[want] uh, want to speak to an attorney first, because I, I take responsibility for me, but there's other people that..."

Under established Miranda law, officers must terminate a custodial interrogation of a suspect when that individual invokes their right to counsel or to be silent. That being said, "various cases have held that a suspect's use of equivocal words or phrases does not constitute a clear request for counsel." A suspect must unambiguously assert his right to counsel or to remain silent. Courts objectively look to whether the suspect expressed their desire for counsel with sufficient clarity "that a reasonable police officer in the circumstances would understand the statement to be a request for an attorney." Courts have found the following statements to be equivocal and not an invocation: "maybe I should talk to a lawyer;" "[i]f you can bring me a lawyer;" "I think it'd probably be a good idea for me to get an attorney." District Attorney Brooke Jenkins Announces Fasi Fotu Convicted of First-Degree Murder

A jury convicted Fasi Fotu of first-degree murder for killing a man in the Bayview District in 2020

San Francisco, CA – Today, San Francisco District Attorney Brooke Jenkins announced that her office secured a first-degree murder conviction of Fasi Fotu, 46, after trial by jury. Fotu killed Michael Hampton, 38, on February 21, 2020, near the intersection of Wallace Street and Ingalls Street in the Bayview District of San Francisco. Fotu shot Mr. Hampton, who was sitting in a parked car, in the back after a brief confrontation. Following the shot, Mr. Hampton drove his car before losing control of the vehicle and crashing near the intersection of Wallace and Ingalls. Responding San Francisco Police officers rendered aid at the scene. Mr. Hampton was pronounced dead shortly after at San Francisco General Hospital. The jury reached a guilty verdict on November 10, 2022.

“Fotu’s unprovoked cold-blooded killing of an unarmed man is chilling,” said District Attorney Brooke Jenkins. “Today’s verdict delivers justice for Mr. Hampton’s family and sends another message that there is no place for gun violence in our community and perpetrators will face consequences.”

The case against Fotu was successfully prosecuted by Assistant District Attorneys Ryan King and Dane Reinstedt with assistance from paralegals Jessica Diamond and Tony Yu as well as intern Ahmanda Lee. Victim Advocates Jovan Thomas, Maria Reynoso, and Ruben Marquez worked closely with the victim’s family throughout the case. Prosecutors were able to develop a strong case against Fotu based on the careful investigation work performed by the San Francisco Police Department’s Homicide investigators with support from Bayview Station.

“The jury’s verdict holds Fotu accountable for the cold and calculated murder of Michael Hampton, Jr, said Ryan King, Assistant District Attorney. “Mr. Hampton will be missed by many.”

“I want to thank the jury for their service and care in reaching this decision, said Dane Reinstedt, Assistant District Attorney. “While nothing can bring Michael Hampton, Jr. back to his family, I

SFPD Arrests Juvenile Suspects Connected to Carjacking Series

Two Loaded Firearms and One Pellet Airgun seized at scene

On October 31, 2022 at approximately 3:20 p.m., San Francisco Police Officers assigned to Southern Station responded to Treasure Island regarding a carjacking with a firearm.

Upon arrival, officers met with the victim who stated that four unknown male suspects were standing around a black sedan a few parking spaces away from the victim. When the victim entered his silver sedan, the male suspects approached him, brandished several firearms and fled the scene in his vehicle. Officers immediately broadcasted the description of the victim's vehicle and suspects' descriptions to dispatch.

SFPD Officers assigned to Bayview Station observed a vehicle matching the description driving in the area of Cesar Chavez Street and Connecticut Street. When the officers attempted to conduct a high risk felony stop on the vehicle by activating their forward facing red and blue lights and siren, the vehicle refused to yield to Police and continued traveling onto Pennsylvania Street.

The officers initiated a vehicle pursuit and during the pursuit, the vehicle committed several vehicle code violations and continued traveling at a high rate of speed. When the suspect vehicle began traveling against traffic, Officers temporarily terminated the vehicle pursuit in fear for the safety of the general public. When the suspect vehicle drove to the area of Howard Street and 6th Street, SFPD Officers continued the pursuit to the area of 900 block of Connecticut Street where the suspect vehicle collided into an unoccupied vehicle that was parked on the street. A foot pursuit ensued where officers were able to apprehend and detain all four male juvenile occupants of the suspect vehicle in the immediate area. Two of the male juveniles were 15-years-old and the other two male juveniles were 16-years-old.

While on scene, officers located a loaded firearm near the vehicle, another loaded firearm inside of the vehicle, and a pellet airgun inside as well. All firearms were seized for the investigation.

Community Police Advisory Board

October 2022

Community Police Advisory Board (CPAB) “CPABs” are community-oriented police advisory boards for each police district.

Each CPAB, led by the District Captain for that police district, is comprised of approximately 10 to 15 committed volunteer community members and a representative from the Community Engagement Division of the SFPD. District Captains may choose more members if they wish to accomplish specific tasks. Each district’s Board members live and/or work in the communities within that district, where a community may be either a neighborhood with specific needs or a specific demographic. Each member thus represents the diversity of their community. In addition to the district CPABs, there will also be a City-wide CPAB Steering Committee facilitated by SF Safety Awareness For Everyone (SAFE). Two representatives from each Community Police Advisory Board shall be selected to participate in this Committee, with the purpose of sharing information across districts.

Bayview’s CPAB meeting members provided Captain Maron their perspective on relevant priority issues in the community.

Department Vision and Values

San Francisco Police Chief Greg Suhr today launched a “Not On My Watch” (NOMW) campaign aimed at rooting out potential bigotry and intolerance among San Francisco police officers by promoting diversity in recruitment, bias training, community involvement and a first-of-its-kind pledge that department officers have been making.

The campaign includes a website, www.NotOnMyWatchSFPD.org, to help demonstrate how the department is working proactively to reduce bias among officers and in the community with a range of programs and initiatives. In launching the campaign, SFPD released a video of community members and police officers discussing the importance of the Not On My Watch pledge, which is just one of several NOMW initiatives.

San Francisco police officers are voluntarily taking the Not On My Watch pledge.

The Not On My Watch pledge states: I, [Full Name], pledge to serve the people of San Francisco faithfully and honestly without prejudice.

I will not tolerate hate or bigotry in our community or from my fellow officers.

I will confront intolerance and report any such conduct without question or pause.

I will maintain the integrity of the San Francisco Police Department and safeguard the trust of the people of San Francisco.

I will treat members of the community as I would hope to be treated myself.

I will pursue justice with compassion and respect the dignity of others.

For those who would suggest there is any place for the stain of intolerance, I pledge, Not on My Watch.

[SFPD Chief Greg Suhr discusses Not On My Watch campaign](#) from [San Francisco Police](#) on [Vimeo](#).

“We are about more than just policing,” said Chief Suhr. “We are working every day to reflect the diverse and multi-faceted communities we are privileged to serve. The stain of intolerance is not acceptable in San Francisco. I call on police departments across the country to join us in taking this stand and commit to the Not On My Watch pledge.”

SFPD has undertaken several additional initiatives to combat discrimination within the department. All San Francisco Police Academy recruits are now required to participate in implicit-bias training, and all officers will receive implicit-bias training and procedural justice training by the end of the year. Chief Suhr has established an African American Community Advisory Forum to open and enhance channels of communication and improve the department’s practices. SFPD is also aggressively recruiting police officers from a variety of cultural backgrounds to ensure that the department is a diverse organization that reflects the city’s demographic makeup. “The Police Department must look like San Francisco,” said Chief Suhr.
