Goals and Objectives

Goals and Objectives of the SFPD Community Policing Strategic plan. The five Goals for Taraval Station are:

- **Goal 1:** Communication
- **Goal 2:** Education
- **Goal 3:** Problem-Solving
- **Goal 4:** Relationship Building
- **Goal 5:** SFPD Organization
Goal 1: Communication
Honest, transparent, and empathetic dialogue between the SFPD and the Taraval District Community.

Taraval Stations strategies are:

➢ Taraval Station provides the community with email addresses of the Commanding Officer and his Captain’s Staff in the newsletter as well as Taraval Station’s monthly community meetings and CPAB meetings. It is also provided on Taraval Station’s website and SFPD website. Officers hand out business cards with their email/ contact information on contacts, traffic stops, and community meetings. Emails and messages are checked daily by all members.

➢ Work in conjunction with representatives from each minority group and provide translations when needed. Ie: language line, Certified Officer translator, and “Insight” translation app on our department issued cell phones.

➢ Taraval Station uses their website (www.Taraval.Org), Twitter and newsletter to communicate, invite, publicize, advertise all community events, and educate the community about our goals and policies, in addition to the SFPD social media websites.

➢ Taraval Supervisors and beat officers attend numerous community and business merchant association meetings and engage in honest, transparent, and empathetic dialogue regarding safety concerns.

We discuss environment on how to clear trees, enhance lighting at night, and encourage security cameras.
