| # | Working Group Recommendations | pg. number | Meeting Date | SFPD response | SFPD explanation | Open/Closed |
|----|---|------------|--------------|---|---|-------------|
| R1 | DPA stated that the Department is required to seek DPA input on the WG codes of conduct before working group activity began. | | 4/6/23 | Administrative Question and Answer-not for inclusion in DGO | DGO 3.01.04 (G) does ask for the Chief to seek input from DPA before issuing a new WG Directive, however, the Chief's WG Directive was issued in 2020 and again in 2021, before DGO 3.01 was issued. When the Chief issues a new Directive, DPA's feedback will be sought and the Police Commission will review and adopt at a public hearing. The codes of conduct currently fall under SF Admin Code Sec 67.3 which is the city's passive meeting rules and is outside of the scope of DPA or SFPD authority. | closed |
| R2 | A working group member suggested that the Executive Sponsor invite a panel of officers to the next meeting to discuss the current DGO, pain points, training issues and to discuss what they would like to see changed in the policy. The WG also asked for the Department to provide a demonstration of the BWC equipment. | | 4/6/23 | Administrative Question and Answer-not for inclusion in DGO | The Department agreed and invited three officers (Central Station Officer Daniel TayLiong, Academy/Field Tactics Force Options Officer Patrick Woods, and Ingleside Sergeant Eric Lau) to attend the 4/20/23 meeting. The WG will invite the same officers to a future meeting as well. This suggestion will be folded into the format of all working groups moving forward. | closed |
