## Monday, May 8<sup>th</sup>, 2023

Northern District,  
Nationwide and locally, there have been several high-profile incidents of violence. We all have ideas and thoughts about what must be done to curb the violence; but first and foremost, we must recognize that action must be taken.

Along with conducting their “routine” patrol duties, Northern Officers will be deployed throughout various highly trafficked areas of our district as foot beats and extra presence.

Also, over the next 45 days there are numerous events taking place in the Northern District:

- May 21<sup>st</sup>: Bay to Breakers
- June 3<sup>rd</sup> & 4<sup>th</sup>: Union Street Festival
- June 4<sup>th</sup>: Sikh Day Parade
- June 8<sup>th</sup>: Sundown Cinema at Alamo Square
- June 10<sup>th</sup>: Juneteenth Parade (Civic Center to Embarcadero)
- June 11<sup>th</sup>: Escape from Alcatraz Triathlon
- June 17<sup>th</sup>: Juneteenth Festival (Fillmore Street)
- June 23<sup>rd</sup>-25<sup>th</sup>: PRIDE Celebration
- July 1<sup>st</sup> & 2<sup>nd</sup>: Fillmore Jazz Festival

There will be a presence of officers at all of these events. We need to ensure our events bring our communities together and that everyone feels safe. I implore everyone that if they see something suspicious, to please say something. Please seek out an officer on-site or call 9-1-1- so that we may address it.

Respectfully,  
Captain Derrick Jackson

# PREVENT GARAGE DOOR BREAK-INS

Garages can sometimes be the most vulnerable area of the home and they are often the entry point most targeted by thieves because of the easy access to the home. Here are some tips to help secure your garage and protect it from theft.

## ALWAYS CLOSE YOUR GARAGE DOOR

This may seem obvious, but just drive through any residential neighborhood and you'll likely see a few wide-open garage doors. This is an invitation to burglars and at the very least, you're allowing passersby to easily view the contents of your garage.

## INSTALL MOTION-SENSITIVE LIGHTS

Homes and garages with poor exterior lighting become more appealing targets for burglars. Ensure all entry points are well-lit. Constant lighting supplemented by motion sensitive lighting is best.

## REINFORCE THE GLASS ON THE GARAGE DOOR

Add vinyl adhesive to reinforce garage windows. You can also opt for a frosted or translucent glass design to allow sunlight in while obscuring contents inside.

## DON'T LEAVE GARAGE DOOR REMOTE IN YOUR CAR

A garage door remote is basically another key into your home and thieves won't hesitate to use it if they find it. Opt to use a remote on a keychain.

## INSTALL AN INTERIOR MANUAL GARAGE DOOR LOCK

When leaving on a vacation or for extended periods of time, disconnect automatic door motor and install a manual lock.

## TIE EMERGENCY RELEASE CORD

Tying your emergency release cord into a small ball will make it more difficult to reach by thieves who manage to break the garage windows.

## INSTALL SURVEILLANCE CAMERAS

There should be at least 1 exterior mounted camera facing the street and registered with the D.A.'s office.

## SECURE ANY VALUABLES

Keep all tools in cabinet systems with locks and be sure to hang and lock any bicycles. As much as possible, try to avoid keeping valuable items in the garage or inside vehicles.

## HAVE A QUALITY, FUNCTIONING GARAGE DOOR

Garage doors should be as secure, sturdy, and well-built as your front door and should remain in good condition and tight fitting. Deadbolts should also be added to the garage-to-house door.

## INSTALL INTERIOR MAIL SLOT HOOD COVER

If the garage door is equipped with a mail slot, a hood cover will prevent any view into the garage and its contents, eliminating enticement to enter.

## ANATOMY OF A SAFE GARAGE

### Your home is only as safe as its weakest entry point.

Your garage is an important part of your home and securing your garage is one of the most essential steps to securing your entire home. It is always recommended to regularly check and update your home's security system and safety measures.

For more information, please contact SF SAFE at (415) 553-1984 or visit [sfsafe.org](http://sfsafe.org).

# Park Smart!

## Safe Habits to Adopt:

### Turn off the ignition

Never leave your car running unattended

### Keep your vehicle & tires in good condition

to prevent breakdowns—stranding you in a dark or unfamiliar place

### Lock your doors

when you get in your car

### See something, say something

If you see a motorist in distress, call 9-1-1 versus stopping to help

### Clear your trunk

and take your valuables with you every time you leave your car

### If you are being followed,

drive to the nearest police or fire station—a populated area is a good default

The San Francisco Police Department is committed to excellence in law enforcement and is dedicated to the people, traditions, and diversity of our City. Our mission is to provide service with understanding, response with compassion, performance with integrity and law enforcement with vision.

As part of our ongoing outreach to engage with the community and measure our success, the Department has created a community survey link to obtain valuable community feedback, which will assist the Department in the development of our strategies to meet the needs of the community.

The Department has developed a Foot Beat/Bike Patrol survey to gather valuable community feedback on the effectiveness of the Foot Beat/ Bicycle Patrol, as it relates to community policing and crime strategies and an Implicit Bias survey to measure progress in the Department's commitment to impartial policing and procedural justice.

Please take the time to fill out the Foot Beat/Bicycle and Implicit Bias surveys. If you have already filled out a survey, thank you! Your response will help SFPD better serve our City and continue to support our community through Safety with Respect.
