Definition of Suspicious Activity

Suspicious activity is any observed behavior that could indicate a crime-related incident has been committed, or about to be committed. Unusual items or situations: A vehicle is parked in an odd location, a package/luggage is unattended, a window/door is open that is usually closed, or other out-of-the-ordinary situations occur.

Examples of Suspicious Activity:

- ◆ An individual peering into vehicles, to try, and locate any valuables left unattended.
- ◆ An individual trying door handles to vehicles, and/or residences to gain access to the vehicle and/ or residence.
- ◆ An individual checking front doors of residences to locate any unattended packages, or individuals following delivery trucks to see where the truck is dropping off packages.

See something.
Say something.

- Monthly Police Community Relations Meetings: Community Meetings are held continuously. Officers also attend meetings with merchants groups, business groups, development authorities and others. Concerns are voiced and addressed through problem solving.
- Email Updates: Southern Station sends out newsletter updates to residents in the district that alerts residents of crime trends, upcoming community events, crime prevention tips, and information on how to contact officers at the district station.
- Twitter: Southern Station's Twitter sends out the updates on upcoming community events, notable arrests and crime alerts.

Addressing Crime / Safety tips

As National Bike Month draws to a close, let SAFE offer a friendly reminder to register your bike with SAFE Bikes. Here's the link: <https://sfsafe.org/bicycle-registration-form/>

The SAFE Bikes sticker and ID code have been instrumental in helping law enforcement get recovered bikes back to their owners. To register your bike with SAFE Bikes, you will need:

- Make, model, serial number and complete description of the bicycle.
 - A photo of the purchase receipt
 - A photo of the bicycle

Go to <https://sfsafe.org/register-your-bike/> to register your bike!

Addressing Crime / Safety Tips

YOUR BIKE HAS BEEN STOLEN. NOW WHAT?

Here's what you should do next to increase your chances of recovering your bike:

➔ File a Police Report

You can do this in one of three ways:

- Online at sanfranciscopolice.org/reports
- Via phone by calling (415) 553-0123
- In person by going directly to your district police station

➔ Call or Email SF SAFE

Give us a call so we can list your bike as stolen on our database. You can reach us at (415) 553-1984 or info@sfsafe.org.

➔ Register

If you haven't done so already, register your bike at nonprofit bike registry, bikeindex.org. If you are already registered, take action to flag your bike as stolen.

➔ Read Up

SF SAFE recommends reading "What to Do After Your Bike Has Been Stolen" on Medium. The article has a multitude of gems about where and how to post about your bike on social media to increase chances of recovering it.

➔ Create a Google Alert

By creating a Google alert for bikes being sold that match the make and model of your bike, you increase your chance of finding it.

➔ Don't Recover Your Bike Yourself

If you see your bike for sale on Craigslist or OfferUpNow.com, don't try to recover it yourself. Contact SFPD directly.

➔ Keep in Touch

If the police contact you to return your bike or if you recover it, please let us know! That way, SF SAFE can keep our files updated.

Visit www.sfsafe.org for more safety tips!

If you have any questions, please email safebikessf@sfsafe.org

Addressing Crime / Safety tips

With the Covid-19 restrictions lifting in phases and many of us are starting to venture out again, here are some Package Theft Prevention Guide from SFSafe to help prevent your packages from being stolen.

PACKAGE THEFT PREVENTION GUIDE

WON'T BE HOME?

Use the "Hold Package" option at USPS.com to have packages held at location post office for pick up. You can also arrange for neighborhoods to pick up any packages that might be delivered.

CUSTOMIZE DELIVERIES

Customize deliveries by adding specific delivery instructions using USPS.com and your tracking number. You can also schedule packages to arrive when you are home or reroute packages.

USE SPECIAL SERVICES

Use USPS special services like *Signature Confirmation* or *Registered Mail* to add a layer of security.

DELIVER TO SECURE LOCATIONS

Send packages to secure locations such as Amazon Lockers, FedEx and UPS locations, P.O. Boxes, and local post office.

REQUEST NONDESCRIPT PACKAGING

When completing your online order, opt for packaging that conceals the item or select the 'gift' option to ensure package arrives in a plain box especially when ordering from a high-end store.

USE MODERN ALTERNATIVES

Take advantage of contemporary options like smart lockers, lockboxes, cameras, motion detection lighting, alarms like Package Guard, and services like Doorman.

NETWORK WITH NEIGHBORS

Neighborhood groups on social media or community apps can provide a system for reporting suspicious activity. This is also a good way to keep your deliveries and neighborhood secure.

PORCH AREA VISIBILITY

Keep the porch area clear and visible. The more likely a would-be thief is to be seen, the more likely they are to choose another target.

Addressing Crime / Safety tips

PREVENT GARAGE DOOR BREAK-INS

Garages can sometimes be the most vulnerable area of the home and they are often the entry point most targeted by thieves because of the easy access to the home. Here are some tips to help secure your garage and protect it from theft.

ALWAYS CLOSE YOUR GARAGE DOOR

This may seem obvious, but just drive through any residential neighborhood and you'll likely see a few wide-open garage doors. This is an invitation to burglars and at the very least, you're allowing passersby to easily view the contents of your garage.

INSTALL MOTION-SENSITIVE LIGHTS

Homes and garages with poor exterior lighting become more appealing targets for burglars. Ensure all entry points are well-lit. Constant lighting supplemented by motion sensitive lighting is best.

REINFORCE THE GLASS ON THE GARAGE DOOR

Add vinyl adhesive to reinforce garage windows. You can also opt for a frosted or translucent glass design to allow sunlight in while obscuring contents inside.

DON'T LEAVE GARAGE DOOR REMOTE IN YOUR CAR

A garage door remote is basically another key into your home and thieves won't hesitate to use it if they find it. Opt to use a remote on a keychain.

INSTALL AN INTERIOR MANUAL GARAGE DOOR LOCK

When leaving on a vacation or for extended periods of time, disconnect automatic door motor and install a manual lock.

TIE EMERGENCY RELEASE CORD

Tying your emergency release cord into a small ball will make it more difficult to reach by thieves who manage to break the garage windows.

INSTALL SURVEILLANCE CAMERAS

There should be at least 1 exterior mounted camera facing the street and registered with the D.A.'s office.

SECURE ANY VALUABLES

Keep all tools in cabinet systems with locks and be sure to hang and lock any bicycles. As much as possible, try to avoid keeping valuable items in the garage or inside vehicles.

HAVE A QUALITY, FUNCTIONING GARAGE DOOR

Garage doors should be as secure, sturdy, and well-built as your front door and should remain in good condition and tight fitting. Deadbolts should also be added to the garage-to-house door.

INSTALL INTERIOR MAIL SLOT HOOD COVER

If the garage door is equipped with a mail slot, a hood cover will prevent any view into the garage and its contents, eliminating enticement to enter.

Addressing Crime / Safety tips

PREVENT GARAGE DOOR BREAK-INS

ANATOMY OF A SAFE GARAGE

Your home is only as safe as its weakest entry point.

Your garage is an important part of your home and securing your garage is one of the most essential steps to securing your entire home. It is always recommended to regularly check and update your home's security system and safety measures.

For more information, please contact SF SAFE at (415) 553-1984 or visit sfSAFE.org.

Addressing Crime / Safety Tips

PREVENT THEFT FROM YOUR VEHICLE

Remember when parking your vehicle to ensure it is properly secured before walking away. Be sure that your windows are up, and your doors are locked. Thieves often check door handles to see if a car is unlocked. Remove all valuables from the inside of your car and take them with you. **PARK SMART!** Flyers available in English -Chinese - Spanish

Park Smart!

Safe Habits to Adopt:

Turn off the ignition

Never leave your car running unattended

Keep your vehicle & tires in good condition

to prevent breakdowns—stranding you in a dark or unfamiliar place

Lock your doors

when you get in your car

See something, say something

If you see a motorist in distress, call 9-1-1 versus stopping to help

Clear your trunk

and take your valuables with you every time you leave your car

If you are being followed,

drive to the nearest police or fire station—a populated area is a good default

Summaries of Supreme Courts Case Laws

(Released Every 3 Months-First Week January, April, July, October)

Kansas v. Glover (2020) 140 S.Ct. 1183.

A Kansas deputy sheriff ran a license plate check on a truck and discovered that the registered owner had a revoked driver's license. The deputy assumed the registered owner was driving the vehicle and pulled it over. The registered owner, Glover, was in fact driving and charged with being a habitual offender. Thereafter, Glover moved to suppress the evidence, claiming that the deputy lacked reasonable suspicion to detain him.

The United States Supreme Court held that, "when the officer lacks information negating an inference that the owner is the driver of the vehicle, the stop is reasonable." The Court noted that the Fourth Amendment permits an officer to detain an individual when that officer has a "particularized and objective basis for suspecting the particular person stopped of criminal activity." Officers must be permitted to make commonsense judgments and inferences regarding human behavior. The Court found that prior to pulling the vehicle over, the deputy observed an individual operating the vehicle, he knew the registered owner had a revoked license, and the model of the vehicle matched what he observed. From these facts the deputy drew the commonsense inference that the driver was the registered owner and the Court found that provided more than reasonable suspicion to initiate the traffic stop.

People v. Henderson (2020) 9 Cal.5th 1013

Henderson was convicted of first degree murder with special circumstances, the personal use of a deadly weapon, and sentenced to death which triggered an automatic appeal to the California Supreme Court. Following his arrest, and during a custodial interrogation, Henderson initially waived his Miranda rights. When asked if he was present at the scene of the crime, Henderson stated, "Uhm, there's some things that I, uhm, want uh ..." He was again asked if he was present and Henderson continued, "[want] uh, want to speak to an attorney first, because I, I take responsibility for me, but there's other people that..."

Under established Miranda law, officers must terminate a custodial interrogation of a suspect when that individual invokes their right to counsel or to be silent. That being said, "various cases have held that a suspect's use of equivocal words or phrases does not constitute a clear request for counsel." A suspect must unambiguously assert his right to counsel or to remain silent. Courts objectively look to whether the suspect expressed their desire for counsel with sufficient clarity "that a reasonable police officer in the circumstances would understand the statement to be a request for an attorney." Courts have found the following statements to be equivocal and not an invocation: "maybe I should talk to a lawyer;" "[i]f you can bring me a lawyer;" "I think it'd probably be a good idea for me to get an attorney." In this case the court found that by stating, "[I] want to, speak to an attorney first," Henderson did not use equivocal language and the California Supreme Court found this was a violation of the Fifth Amendment.

SFPD Make Arrest in Castro District Hate Crime

On June 5, 2023, at approximately 11:52 a.m., San Francisco Police officers from Mission Station responded to the area of 18th and Hartford Streets for a report of an aggravated assault. Dispatch obtained a description of the suspect and broadcast it to the responding officers.

Officers located a male that matched the description in the area of Dolores Park. As officers attempted to detain the suspect, the suspect fled on foot. Following a brief foot pursuit, officers detained the suspect in the area of 18th and Church Streets.

Officers met with the victims, a 40-year-old male and a 58-year-old male, who stated the unknown male suspect was following them on foot while simultaneously aggressively shouting anti-LGBTQ language. The suspect then threw a glass object at them causing the 40-year-old male victim to sustain a non-life-threatening injury.

During the investigation, officers developed probable cause to arrest the 20-year-old male suspect, identified as Muhammed Abdullah.

Abdullah was later booked at San Francisco County Jail #1 for two counts of assault with a deadly weapon (245(a)(1) PC), two counts of committing a hate crime (422.6(a) PC) and resisting arrest (148(a)(1) PC).

“These kinds of attacks are unacceptable,” Chief of Police William Scott said. “It’s especially troubling that this incident took place as we celebrate Pride month in San Francisco. Anyone who threatens or harms someone based on being a member of the LGBTQ community will be held accountable.”

While an arrest has been made, this remains an open investigation. Anyone with information regarding this investigation is asked to call the SFPD Tip Line at 1-415-575-4444 or Text a Tip to TIP411 and begin the text message with SFPD. You may remain anonymous.

CPAB– Project Updates

April 2023

Community Police Advisory Board (CPAB) “CPABs” are community-oriented police advisory boards for each police district. Each CPAB, led by the District Captain for that police district, is comprised of approximately 10 to 15 committed volunteer community members and a representative from the Community Engagement Division of the SFPD. District Captains may choose more members if they wish to accomplish specific tasks. Each district’s Board members live and/or work in the communities within that district, where a community may be either a neighborhood with specific needs or a specific demographic. Each member thus represents the diversity of their community. In addition to the district CPABs, there will also be a City-wide CPAB Steering Committee facilitated by SF Safety Awareness For Everyone (SAFE). Two representatives from each Community Police Advisory Board shall be selected to participate in this Committee, with the purpose of sharing information across districts.

This month the CPAB introduced new members to the group. The group also discusses upcoming community events including the location for this years National Night Out.

Next month’s meeting is scheduled for Wednesday, 04/12 at 6:00pm. For Southern Stations meeting calendar click on the link below.

Everyone deserves to be treated fairly.

SFPD officers undergo Implicit Bias & Procedural Justice training. Our goal is ensure fair, impartial community policing.

We're dedicated to providing *Safety With Respect for All.*

Learn about our ongoing efforts to eliminate bias and increase accountability at [sanfranciscopolice.org/bias-free](https://www.sanfranciscopolice.org/bias-free).

A guiding principle of the San Francisco Police Department is its commitment to treating all people with dignity, fairness, and respect. It is crucial for our members to carry out their duties in a manner free from bias and eliminate any perception of policing that appears biased. Biased policing is unsafe, unjust, and ineffective. It also alienates the public, fosters distrust of police, and undermines legitimate law enforcement efforts.

The SFPD is dedicated to ensuring our officers and professional staff provide unbiased, quality service to the diverse communities we work for. Our goal is to provide fair and positive interactions between San Francisco officers and the people we are proud to serve.
