Problem Solving Plans 2026

Mission Police Station in conjunction with City Agencies and neighborhood community groups plan to combat crime together in their neighborhoods.

- Example: Human Trafficking on Capp Street
- Plan includes organized meetings with different agencies and partnerships such as: District Attorney's Office, SVU Human Trafficking Unit. Teaming up to formulate strategies to increase crime awareness by initiating proactive community policing and increased visible Officer presence.
- Partnerships with other San Francisco City agencies to provide the wealth of city services to the most vulnerable in our communities. (DPW, DPH and HSH)
- Neighborhood walks with business owners, community members and the SFPD beat and patrol Officers.
- Work with neighborhood groups and surrounding merchants to help with environmental enhancements.
    - Supplying homes with garage door safety locks to help prevent garage burglaries.
    - Digitizing our business and community responsible files to open the lines of communication, which will help contact responsible parties quickly in the event of emergencies.

Problem Solving

The Community Policing Strategy Plan for Mission Police Station will focus on Goal 2 and Goal 4 of the Community Policing Strategic Plan, Education and Relationship Building. The Objective will be to train the community to empower themselves to improve community safety (**Objective 2.1**). We will begin with focusing on the merchant areas in our district due to the rise in **retail theft**, **burglaries**, **vandalism**, and **quality of life issues** to business districts.

Community Policing Strategies

S pecific -Mission Station will host in-person and virtual meetings in partnership with Community Based Organizations (CBOs), partnering Law Enforcement Agencies and the Community Police Advisory Board (CPAB) to educate the Merchants and Residential communities on quality-of-life issues and preventing crime amongst their establishments. (**Objective 2.2**). The objective will be to formulate strategies to increase crime awareness by initiating proactive community policing and increased visible Officer presence.

Problem Solving cont.

M easure – Meetings will be held during the Captain's Monthly Community Meeting, which takes place on the last Tuesday of every month, as well as negotiated times with individual district merchant groups. Mission Station will utilize crime data and statistics, from SFPD Crime Data Warehouse, Crime Analysis Unit, SFPD BIP (Business Intelligence Portal) as well as community input for a specific area to formulate a community-oriented policing strategy that targets and addresses surrounding crime.

A ttainable – Mission Station will focus on the state of the business districts and address crime and quality of life issues. This will include discussions about crime prevention and quality of life responses by the SFPD and it's collaborating city agencies. Mission Station will utilize the district Foot Beat Officers to engage with the community and merchants while continuing to update all Responsible File information cards and assist the business owners with the posting of 25 MPC signage, if desired **(Objective 4.1**). Mission Station has also created an electronic version, with a QR scan code, of the Responsible information cards that offers more detailed questions regarding merchant businesses and on-going issues. Mission Station Officers will work in conjunction with the Organized Retail Theft Unit, Plainclothes teams, and Burglary Unit to identify crime trends and suspects of interest.

Regarding quality-of-life issues, Mission Station will coordinate detailed operation plans with our Homeless Outreach Team, BART PD, SCRT (Street Crisis Response Team), and DPH (Department of Public Health) to help identify issues and formulate strategic plans that target them. Mission Station will also communicate with neighboring residential communities and encourage the neighborhood groups to organize a P.O.P (Problem Oriented Policing) unit block project to help identify vulnerable areas of the community.

Problem Solving cont.

R elevant – The community-oriented policing strategy will be relevant to issues identified. The city of San Francisco has seen an increase in retail theft, burglaries, vandalism, and quality of life issues to business districts around the city, including the Mission District. With Mission Station coordinating valuable training through SFPD's specialized units, Patrol Officers, partnering city agencies and proactive neighborhoods and communities we will be able to heighten awareness and encourage teamwork and partnerships to formulate community oriented policing strategies to help combat these issues (**Objective 4.2)**.

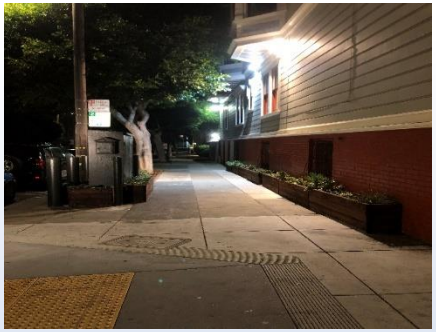

T imely – The Captain's Monthly Community Meetings will be held the last Tuesday of the Month, beginning at 5:00 pm through virtual channels provided by SFSAFE and in-person at Mission Police Station's community room. Mission Station will also arrange negotiated meeting times with individual district merchant groups. At these monthly meetings, the Captain will focus on certain crime trends and quality of life issues and formulate a community policing strategic plan and implement these plans on a case-by-case basis. In the coming months after, the captain will focus on assessment of the strategy by looking at the crime and community policing data and making any necessary adjustments as deemed necessary. On a quarterly basis of implementing the different strategies, Mission Station will conduct an overall assessment to determine if the goals of reducing the rise in retail theft, burglaries, vandalism, and quality life issues in the business districts were met.

Problem Solving cont.

In the past, Mission Station Officers and Mission Station CPAB group have partnered up with neighboring residential communities and neighborhood groups to organize a P.O.P. (Problem Oriented Policing) unit block project to help identify vulnerable areas and quality of life issues in the community.

Problem Solving Plans

BART PLAZA ENFORCEMENT AND HIGH VISIBILITY PLAN

MISSION DISTRICT

BART PLAZAS - VISIBILITY and ENFORCEMENT PLAN

Comprehensive plan regarding public safety for the Mission District concerning the following locations:

- Bart Plaza at 16th Street and Mission Street (Emphasis on the southwest corner)
- Bart Plaza at 24th Street and Mission Street (Emphasis on the northeast corner)

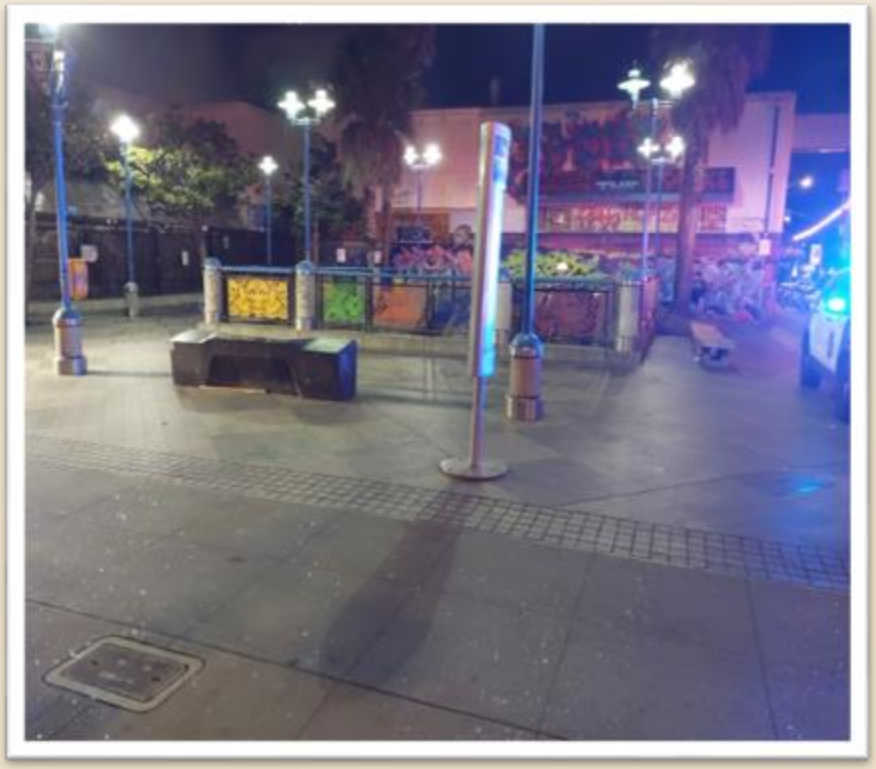

Problem Solving Plans cont.

SFPD MISSION STATION'S FOCUS

- Mission has already elevated police attention to the plazas.
- The conditions of the plazas are a result of concentrated vending, a myriad of quality-of-life violations, and other societal reasons.
- SFPD will be focusing on:
  - ✓ Maintaining high visibility.
  - ✓ Taking a more aggressive approach with the laws SFPD is able to enforce.
  - ✓ Working with other City Agencies (DPW vending program, DPH for food violations, BART Police).
- Mission Police Officers are being directed to establish themselves in a high visibility capacity, when equipped with a patrol vehicle – to literally park their vehicle on the plaza when feasible.
- At night, members are being directed to utilize their vehicle's lighting equipment to achieve higher visibility.
- Additionally, we have been in touch with DPW about additional power washing in both Mission District BART plazas.

Mission's Plan for 2026

Investigative Unit(s)

- Our Burglary Unit has an ongoing investigation regarding an individual, who is believed to be selling stolen goods at 24th and Mission. They will continue to assist.
- Members assigned to this event should enforce the law, facilitate pedestrian flow, and ensure public walkways are clear. Assigned units should make every effort to remain in a high visibility capacity at all times.
- The mission of this operation will be to disrupt criminal activity, enforce violations of the law, and establish order. The criminal activities include but are not limited to:

- ✓ Public consumption of alcohol [21(a) MPC]
- ✓ Possession of opened container of alcohol [25620(a) B&P]
- ✓ Illegal marijuana smoking in public [11362.3(a)(1) H&S]
- ✓ Public Urination [153(a) MPC]
- ✓ Stolen Property Offenses [496(a) PC, 485 PC]
- ✓ Narcotics Trafficking [11352(a) H&S, 11351 H&S, 11351.5 H&S]
- ✓ Creating or Maintaining a Public Nuisance [372 PC]
- ✓ Blocking the sidewalk [22(a) MPC]
- ✓ Blocking the sidewalk, 2nd offense, 24 hours [23(a) MPC]
- ✓ Public Intoxication – Disorderly Conduct [647(f) PC]
- ✓ Possession on Narcotics Paraphernalia [11364(a) H&S]
- ✓ Obstruction of sidewalk or another place open to the public [647c PC]

  "Every person who willfully and maliciously obstructs the free movement of any person… is guilty of a misdemeanor"

Problem Solving Plans cont.

Mission's Plan for 2026

Expected Outcomes

- With dedicated enforcement and deterrence, the goal is a sense of order to be reestablished. If this goal is achieved, we can transition to a maintenance plan.

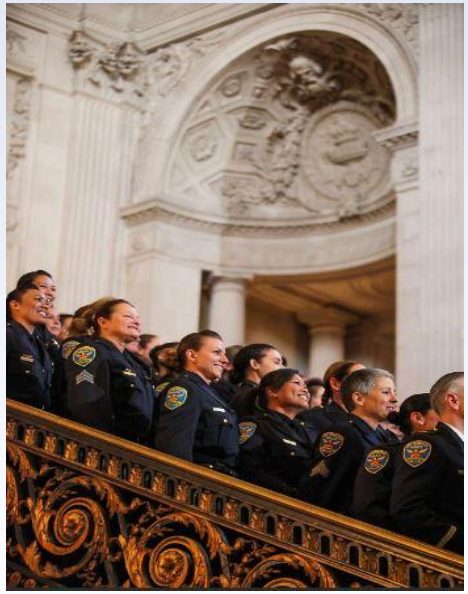

HOW SFPD is measuring performance week by week?

- This operation will be monitored daily by the on-duty Lieutenant or their designee, who will oversee the day-to-day activities by the assigned officers. The Lieutenant shall task a Sergeant to oversee and monitor staffing in addition to enforcement activities. Daily, assigned members will provide the PC with their specific visibility/enforcement activities for the day.
- The operation will be re-evaluated weekly by the Event Commander and Assistant Event Commander to determine its sustainability and impact. Lieutenant or his designee will author a weekly after-action report documenting staffing, enforcement, and other actions taken at the plazas. After submission of weekly after-action reports, the focus and strategy of the operation will be re-evaluated to determine successes and any need for modification.

National Law Enforcement Dates

- National Law Enforcement Appreciation Day – Friday, January 10, 2026.
- National Police Week – Friday, May 15 – Thursday, May 21, 2026.
- Peace Officers Memorial Day – Friday, May 15, 2026.
- National Safety Month – June 2, 2026.
- National Night Out (NNO) – Tuesday, August 4, 2026.
- National Police-Woman Day – Saturday, September 12, 2026.
- National Thank a Police Officer Day – Saturday, September 19, 2026.
- National Crime Prevention Month – October 2026.

  (Marigold Project)
- **Castro Community Tree Lighting** – 11/2026
  (Castro Merchants)
- **Mission Station Toy Giveaway** – 12/2026

*List does not include spontaneous demo's, sports celebrations, various enforcement operations.

Community Engagement Plans

Mission Station is focusing on developing relationships with community members and neighborhoods in our district areas. We wish to develop strong partnerships with citizens in the community to help form a stronger bond and to collaboratively work on making our community safer. Throughout the year, we will hold events to help strengthen this process.

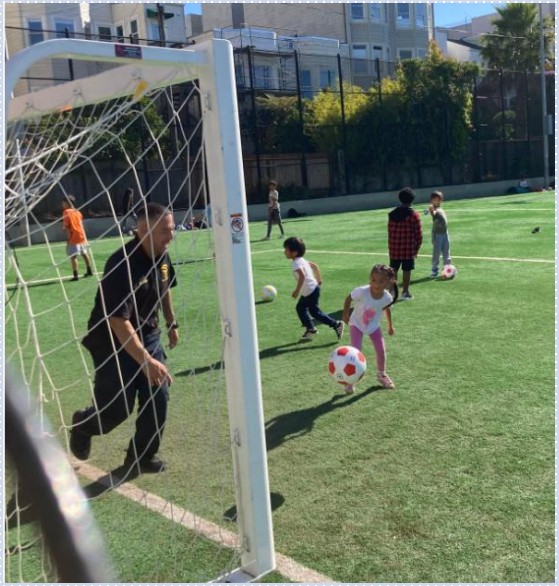

- **Who** will be involved?
  - SFPD Mission Station, Community Policing Advisory Board (CPAB), SFPD Community Engagement Division, various neighborhood and community groups, and various merchants in the district.
- **What** types of events?
  - We plan on holding events such as Coffee w/a cop, Lunch w/a cop, Walk and Talk w/a cop and sports and activities with cops.
- **Where** will these events take place?
  - Various locations throughout the Mission District Boundaries. (Schools, parks, shops, churches etc.)
- **When** will these events take place?
  - Throughout the year. (Dates are subject to change)
- **How** will these events be coordinated?
  - SFPD Mission Station, SFPD Community Engagement, Mission Station CPAB will help identify neighborhoods and communities who wish to strengthen community partnerships.

Safety with Respect

Captains Meetings (2026)

SFPD Mission Station Captain
Captain Sean Perdomo
630 Valencia Street
(415) 558-5400
Sean.perdomo@sfgov.org

The Captain of Mission Station conducts 8-12 monthly meetings which include but not limited to the following:

- Community Groups
- Neighborhood Associations
- Business Leaders
- Board of Supervisor representatives
- Housing Groups
- Event Organizers
- Individual Community Members
- Other City Agencies groups (DPW, DPH, HSH etc…)
- Other Law Enforcement Partners (Bart PD, CHP, UCSF, Park Rangers etc..)

Mission Station Newsletter

Mission Police Station produces a weekly newsletter that contains an array of information regarding crime prevention tips, police news and public safety alerts to the community. In addition, we feature the following:

- Officer of the Month
- Citizen of the Month
- Definitions of Suspicious Activity, Community Policing and Crimes
- Community Engagement, Events, Projects, Flyers
- List and maps of Part I and Part II crimes
- Plans to address crime including any tips from the community
- Comparisons of bi-annual crime maps.
- Monthly comparison of crimes
- Notable Arrests / Incidents of notes
- Relevant Department Press Releases
- Advertisement for Police Programs (ALERT, PAL, Recruitment, Community Police Academy, Reserves and PAL Cadet Programs.
- Mission Stations Vision and Values reflective of the Department's Vision and Values

- https://www.sanfranciscopolice.org/stations/mission-station

Social Media Strategy

Mission Police Station understands that Social Media has become an increasingly important tool for law enforcement agencies in recent years. It has given law enforcement agencies another platform to communicate with our community. We use social media for the following:

- Building trustworthy relationships by community outreach and engagement
- Notifying public of public safety concerns
- Communicating with the public during crisis situations
- Provide helpful information to the community
- Humanize the department and its Officers
- Sharing real-time information with the public
- Increase transparency
- Allow citizens to help situations that impact their community

Metrics

- 911 Data – Time spent meeting with citizens
- Number of people attending meetings/events
- Number of community meetings and events attended by foot beat Officers
- Average time to respond to non-emergency inquiries by type
- Community Survey Results
- Number of neighborhoods with active community watch
- Post-training survey – number of participants who have changed behavior following training on how to prevent crime
- Number of participants that shared training information with neighbors
- Number of community members and Officers that feel collaboration helped solve the problem

Review and improvement

- Community groups/merchant input and feedback
- Crime Data and Statistics
- SFPD Crime Data Warehouse
- Crime Analysis Unit Data
- SFPD BIP (Business Intelligence Portal)
- Meetings with community stakeholders
- Meetings and input with Foot Beat Officers and sector patrol
- Review of Responsible File Information Cards
- Homeless Outreach / SCRT (Street Crisis Response Team) Data
- Outside agencies data (Bart PD, DPH, DPW, SFSD, Neighborhood Watch)
