

At 8:55AM, SFPD officers responded to a call of several people shot at the UPS building at 17th and San Bruno.

Multiple officers responded and determined the suspect was in the building.

Officers determined this was an active shooter situation and formed contact teams.

Officers encountered shooting victims and immediately evacuated them to a safe location to begin medical treatment.

One contact team located the suspect who was still armed with an assault pistol.

The suspect put the gun to his head and discharged the weapon.

Officers secured the weapon and immediately administered aid to the suspect.

The building has been secured and at this point, we believe the incident involves only one suspect.

At this point, we do not believe this incident is related to terrorism.

The suspect was dressed in a UPS uniform, but we have not yet determined if he is an employee of the company.

At this time, we have identified six shooting victims, including the suspect.

The suspect is deceased, as are three of the shooting victims.

Teams continue to search the building for additional victims and witnesses who sheltered in place.

The SFPD Homicide Detail is investigating this incident and we ask anyone with information to contact our Tipline at (415) 575-4444.
