On Thursday, October 1, 2020, at approximately 5:00 PM, a San Francisco Police Department (SFPD) officer heard gunshots coming from the 100 block of Geary St. The officer broadcasted the information to dispatch. The officer and backup units ran towards the area of the gunshots.

Officers located a 21-year-old male suffering from gunshot wounds. Officers rendered aid and requested emergency medical services (EMS). EMS arrived and transported the individual suffering from gunshot wounds to a local hospital.

Officers interviewed an involved party and several witnesses at the scene of the incident. Officers were informed that suspects attempted to rob an adult male victim. A preliminary investigation indicates that a physical altercation ensued between the victim and suspects, which resulted in one of the suspects being shot during the incident. The suspect sustained gunshot wounds and was later declared deceased at a local hospital. Officers located and seized three firearms at the scene. The SFPD Homicide Unit is investigating this incident. This remains an active and ongoing investigation in the early stages.
