The City College of San Francisco Athletics Department and the San Francisco Police Department are teaming up to support the 2021 SFPD Toy Drive. The SFPD is asking the community to support this worthy cause, which provides toys during the holiday season to children who are less fortunate.

Members of the SFPD will be collecting donations at the entrance of George M. Rush Stadium starting at 10:00 a.m. this Saturday, December 4, 2021, during the Northern California Championship game between the City College Rams and the College of San Mateo Bulldogs.

We are asking the community to drop off a new unwrapped toy that the SFPD will collect and distribute. You can also make a donation, which will be used to buy additional gifts for the children, via Venmo or GoFundMe (please see attached flyer for the QR Code).

The SFPD and CCSF Athletics Department thank you for your support!
