On April 5th, 2016, the San Francisco Police Department was notified that Nicole Fitts and her 2 year old daughter Arianna Fitts went missing. Nicole was last seen on April 1, 2016.

Yesterday, on April 8, Nicole was found deceased as a victim of a homicide. Due to the sensitive nature of this investigation and information continuously developing, we cannot disclose further details on how she was located.

Her daughter Arianna has not been seen since late February, and is considered at-risk due to her young age and suspicion of foul play.

Nicole and Arianna were reported to frequent the San Francisco, San Mateo, Oakland/Emeryville, Fresno, Santa Cruz, and Silicon Valley Areas, as well as various locations in Southern California. We are providing several photos of young Arianna.

The San Francisco Police Department has been dedicating numerous resources around the clock to this investigation. Even so, we are asking for the public's help in bringing Arianna home.

If you see Arianna, call 911 immediately. If you have information on Arianna's whereabouts or anything related to the homicide of Nicole we encourage you to contact the SFPD Homicide Unit at [415-553-1145](tel:415-553-1145), the SFPD Anonymous Tip Line at [415-575-4444](tel:415-575-4444), or text a tip to TIP 411 with SFPD at the beginning of the message.
