“A democracy cannot survive as a permanent form of government. The average age of the world’s greatest democratic nations has been 200 years. Each has been through the following sequence:

From bondage to spiritual faith; From faith to great courage;  
From courage to liberty;  
From liberty to abundance;  
From abundance to complacency; From complacency to selfishness; From selfishness to apathy;  
From apathy to dependency;  
And from dependency back again into bondage.”  
-British aristocrat Lord Macaulay; May 23, 1857
