On August 24, 2022, at approximately 3:15 pm San Francisco Police Department Burglary investigators were conducting a plainclothes operation on the unit block of Leavenworth St. regarding a possible illegal fencing operation. Investigators observed a transaction of possible stolen property with occupants seated in a parked vehicle and an adult male during the operation. This vehicle was suspected of being used in auto burglaries. Upon further investigation, the license plate of the vehicle was discovered to be stolen out of San Leandro, CA. Uniformed police officers responded to the area and attempted a traffic stop at Turk and Hyde Streets.
